

Star Trek Next Generation U.S.S. Enterprise D - EAGLEMOSS -

Beitrag von „Science“ vom 25. Januar 2024, 15:36

Blick in die Lieferung 24

The image shows a double-page spread from a Star Trek: The Next Generation magazine. The left page features a large red header with the number '24' and the show's title 'STAR TREK™ THE NEXT GENERATION'. Below this is the subtitle 'BUILD THE U.S.S. ENTERPRISE NCC-1701-D'. A small logo for 'HERO Collector' is at the top left. The central part of the page has a large graphic of the USS Enterprise-D. The right side of the left page contains the text 'IN THIS ISSUE' above a list of episode guides numbered 3 through 30, each with a small thumbnail image. The right page is titled 'STAGE 91 PARTS' and 'STAGE 92 PARTS' and shows detailed diagrams and lists of parts for building the ship's hull sections.

STAGE 93 PARTS

93A
93B
93C
93D
93E
93F
93G

Part Number	Part Name	Quantity
93A	Deck panel L3-14	1
93B	Outer panel L4-13	1

AM	1.7x4mm screw	2 (+1 spare)
FM	2.3x4mm screw	2 (+1 spare)
IM	1.7x2.5x6mm screw	2 (+1 spare)
JM	1.7x6mm screw	1 (+1 spare)

STAGE 91 ASSEMBLY

Assemble a deck panel to bring your lower saucer section closer to completion in this short stage.

PART LOCATOR

KEY

- RED** is used for screws, arrows, and connection points.
- YELLOW** is for the new part[s] in each step.
- GRAY** shows the assembly as far.
- BLUE** shows illuminated parts.

Note: keep the battle section lower front panel (91H) close at hand for use in the next stage of the assembly.

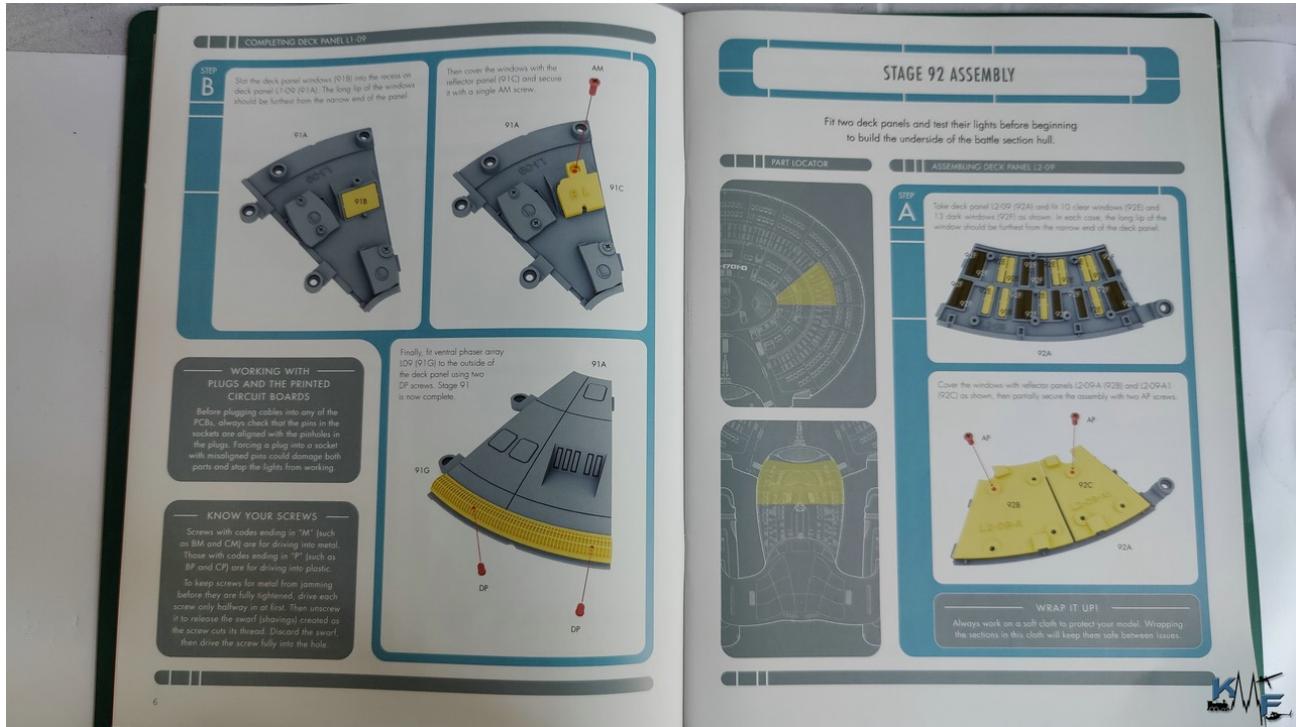

ASSEMBLING DECK PANEL L1-09

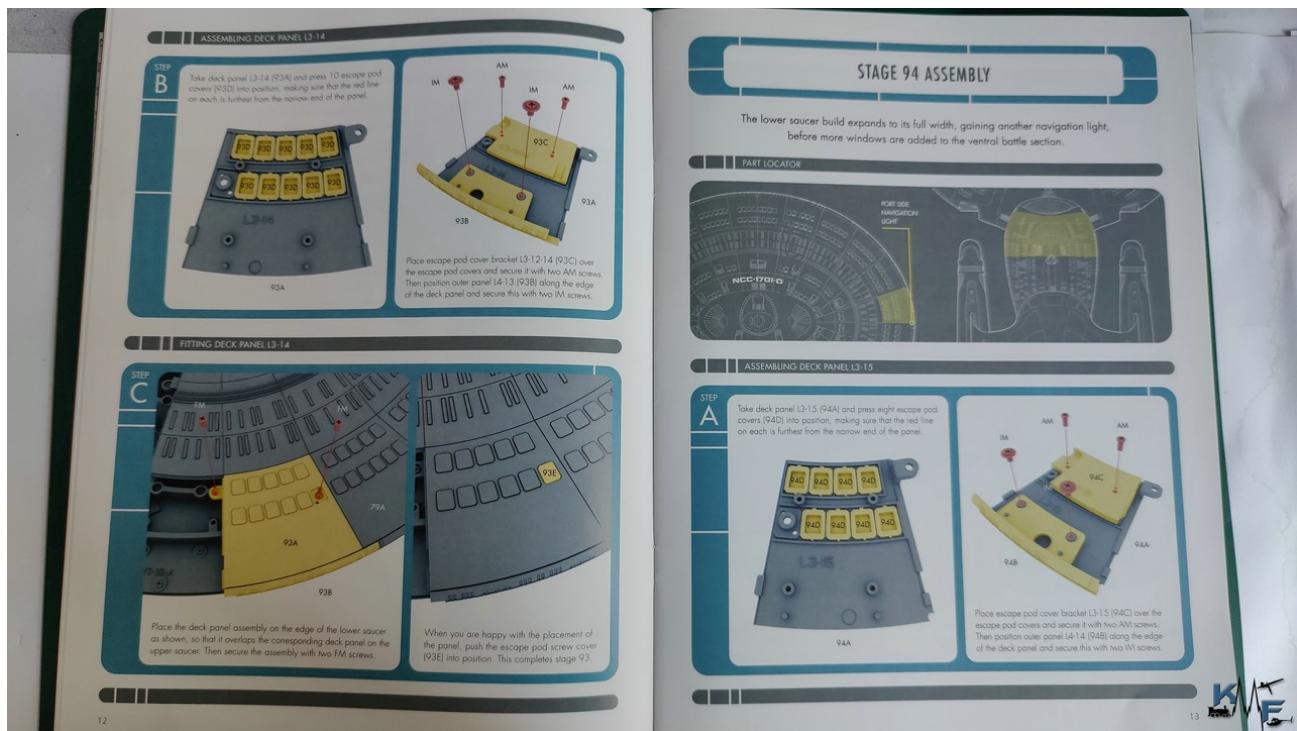

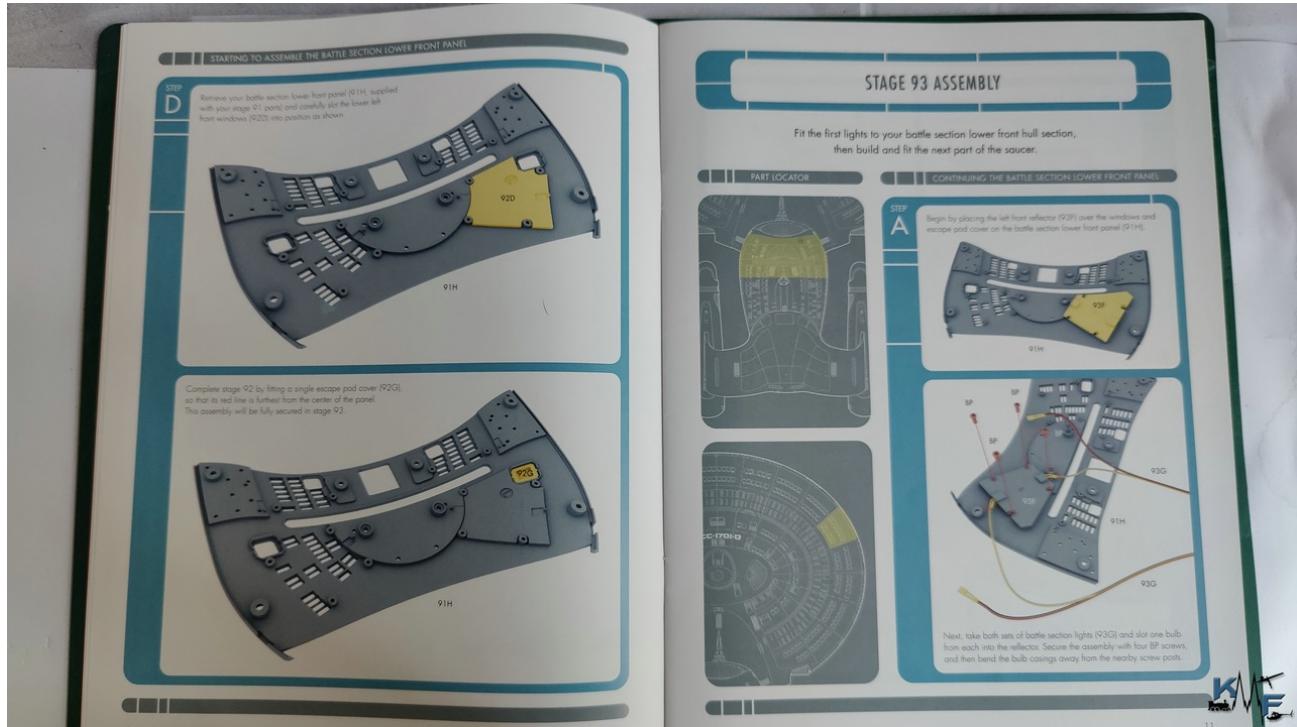

STEP A

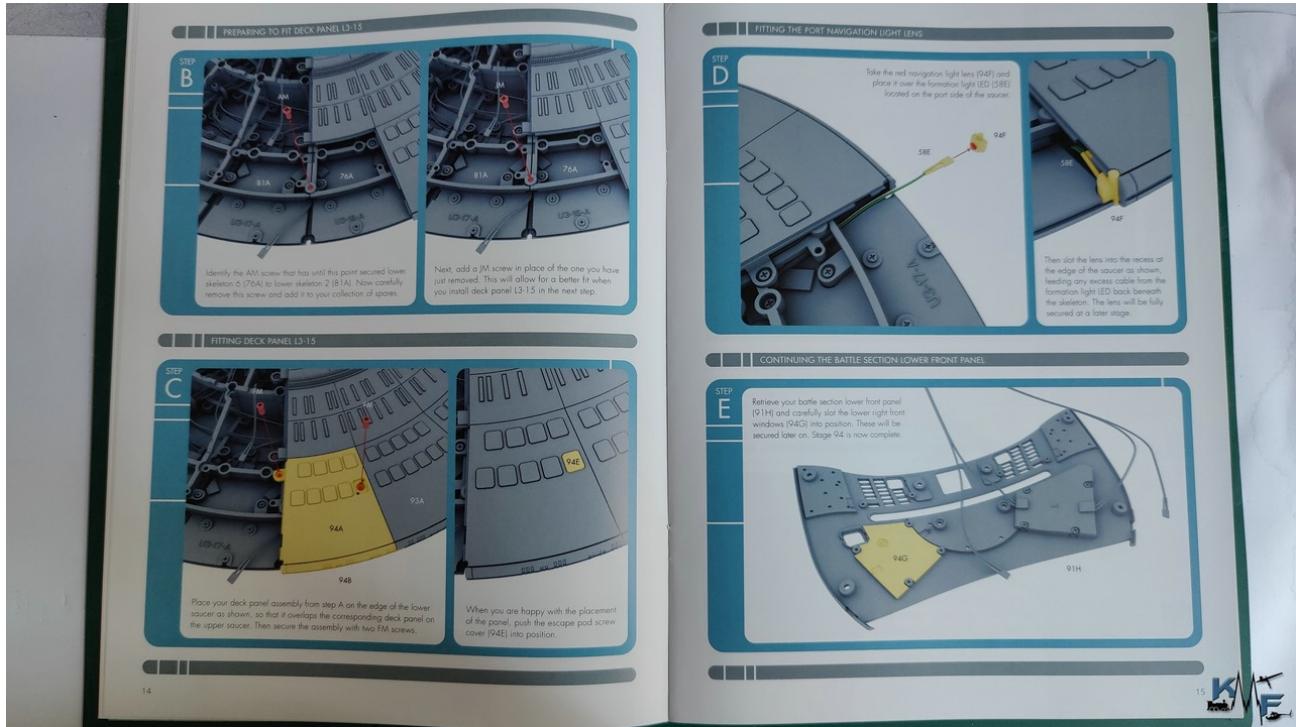

Take deck panel L1-09 (91A) and press three escape pod covers (91D) into position so that the red line on each is furthest from the narrow end of the panel.

Cover these parts with escape pod cover bracket A (91B) and escape pod cover bracket B (91F), as shown, then secure the parts with a total of three AM screws.
