Lockheed Martin F-35A Lightning II

Beitrag von „Science“ vom 5. November 2023, 16:30

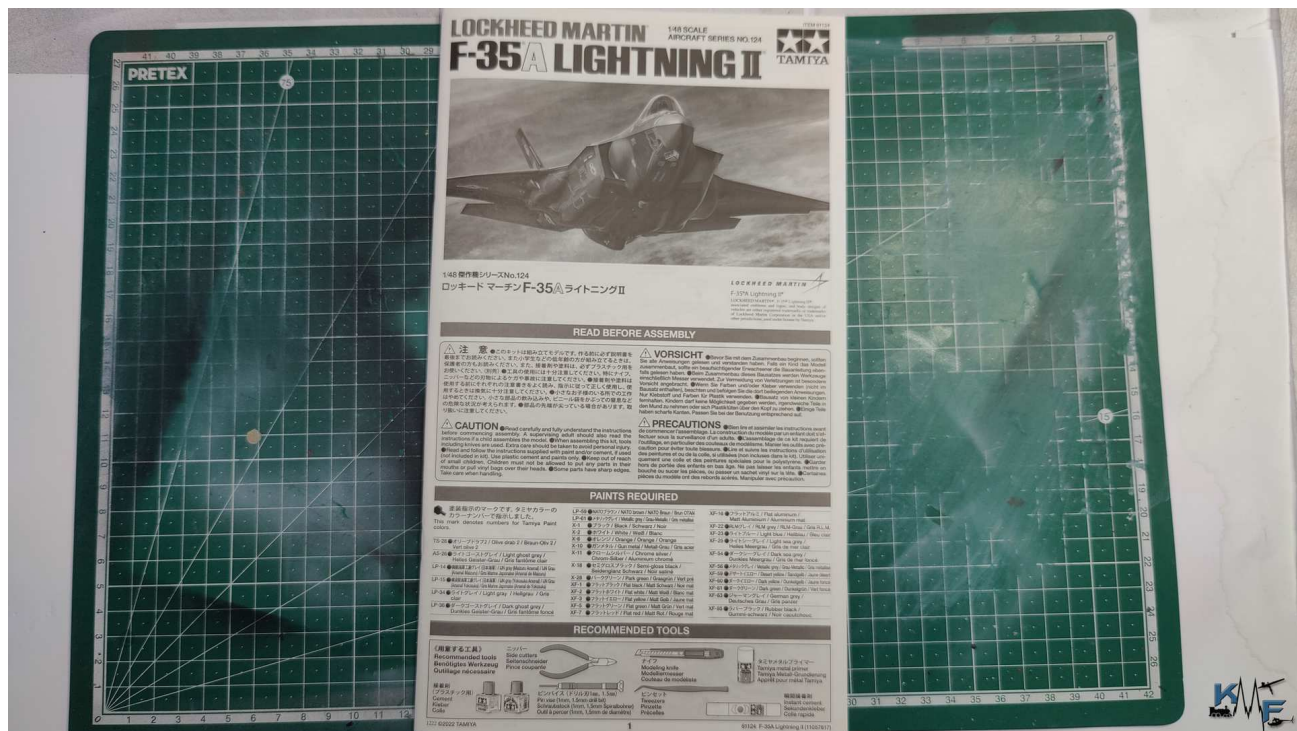

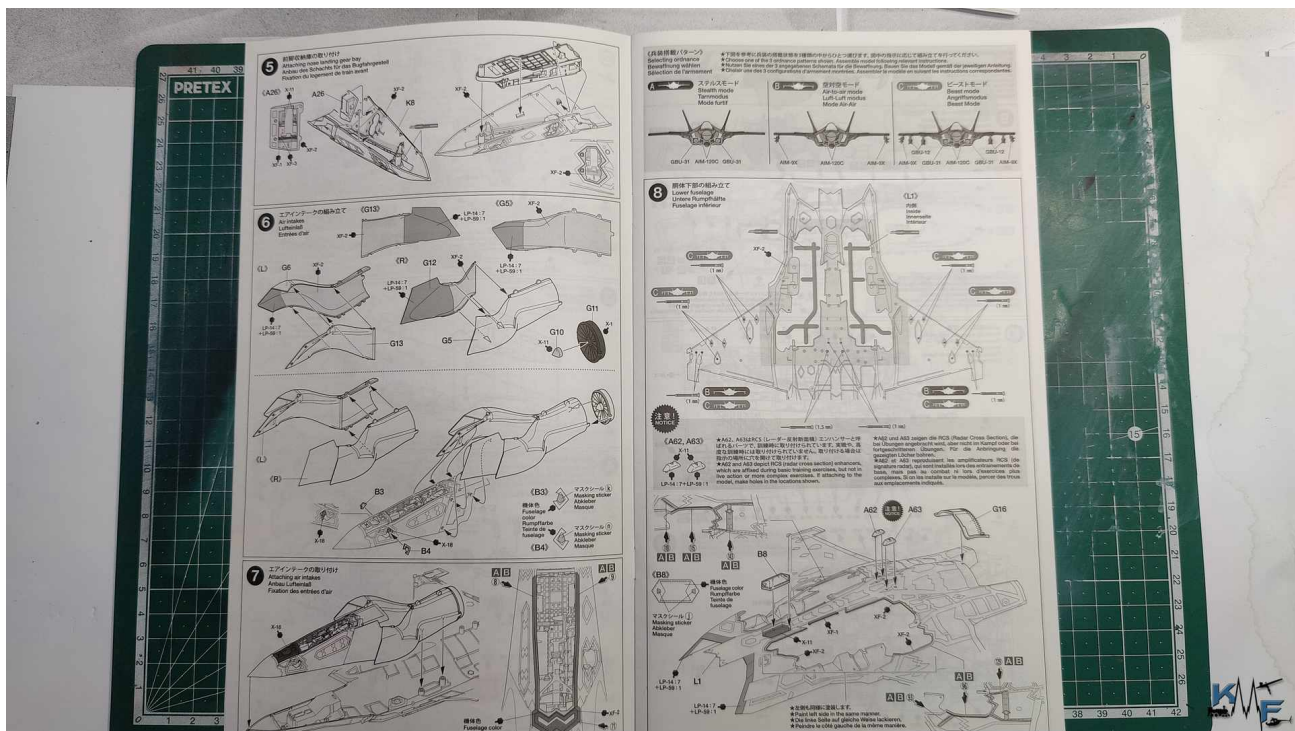

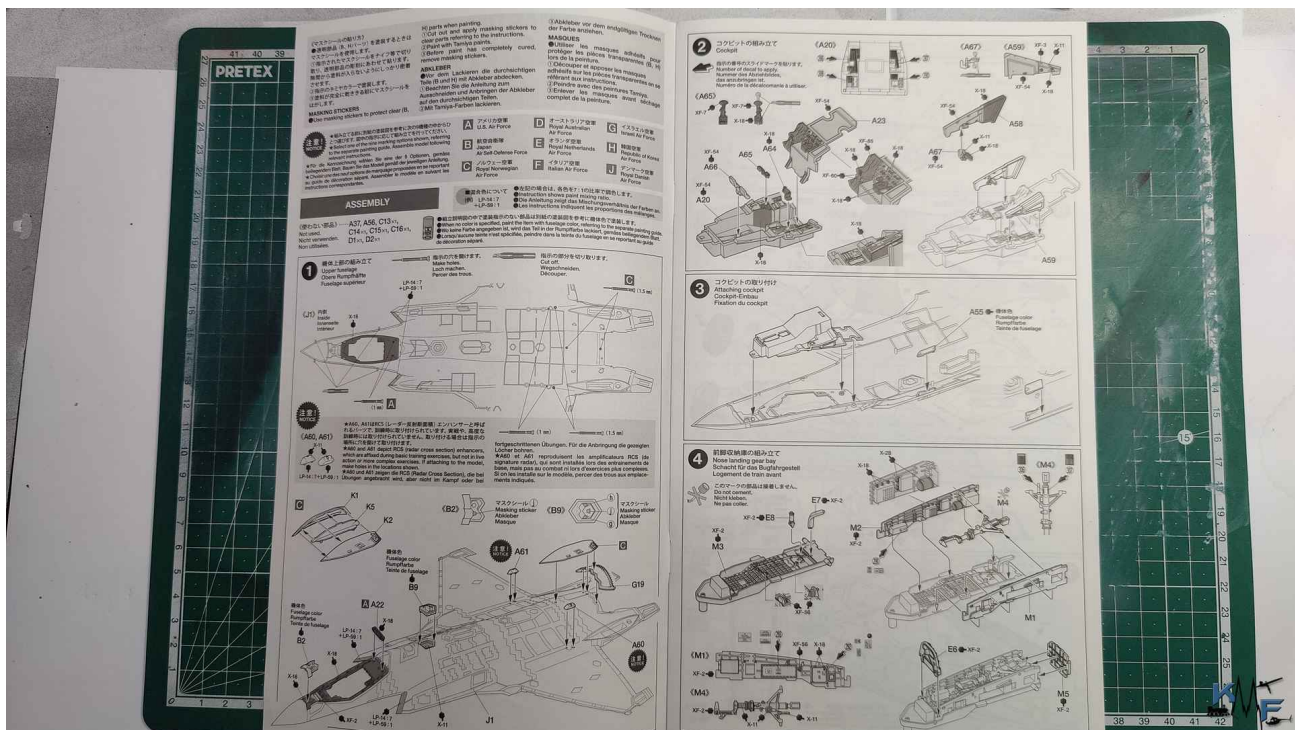

- **Modell:** Lockheed Martin F-35A Lightning II
- **Hersteller:** Tamiya
- **Modell-Nr.:** 61124
- **Maßstab:** 1:48
- **Teile:** 299
- **Anzahl der Spritzlinge:** 10
- **Schwierigkeitsgrad:** Mittel
- **Preis:** ca 95,00€
- **Herstellungsjahr:** 2022
- **Verfügbarkeit:** gut

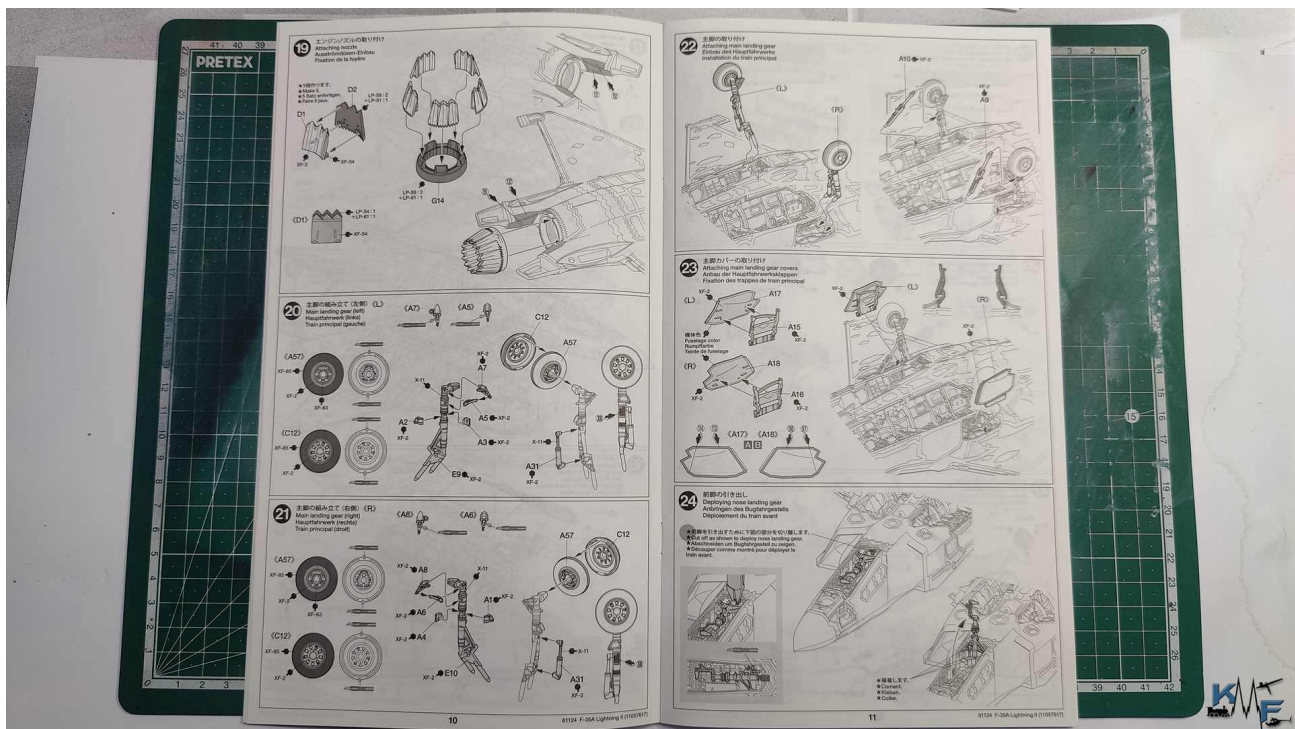

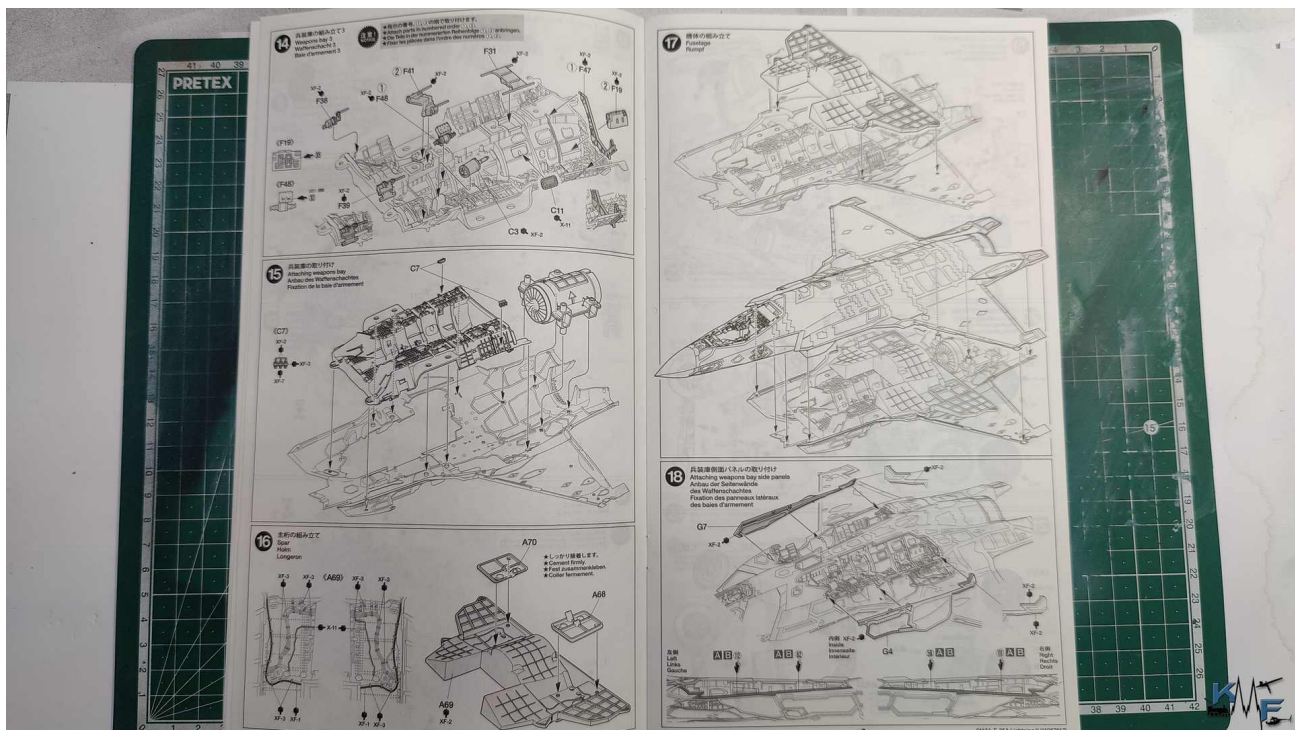

9 Länder haben zum Zeitpunkt des Drucks die F-35 im Einsatz. Deutschland gehört auch bald dazu.

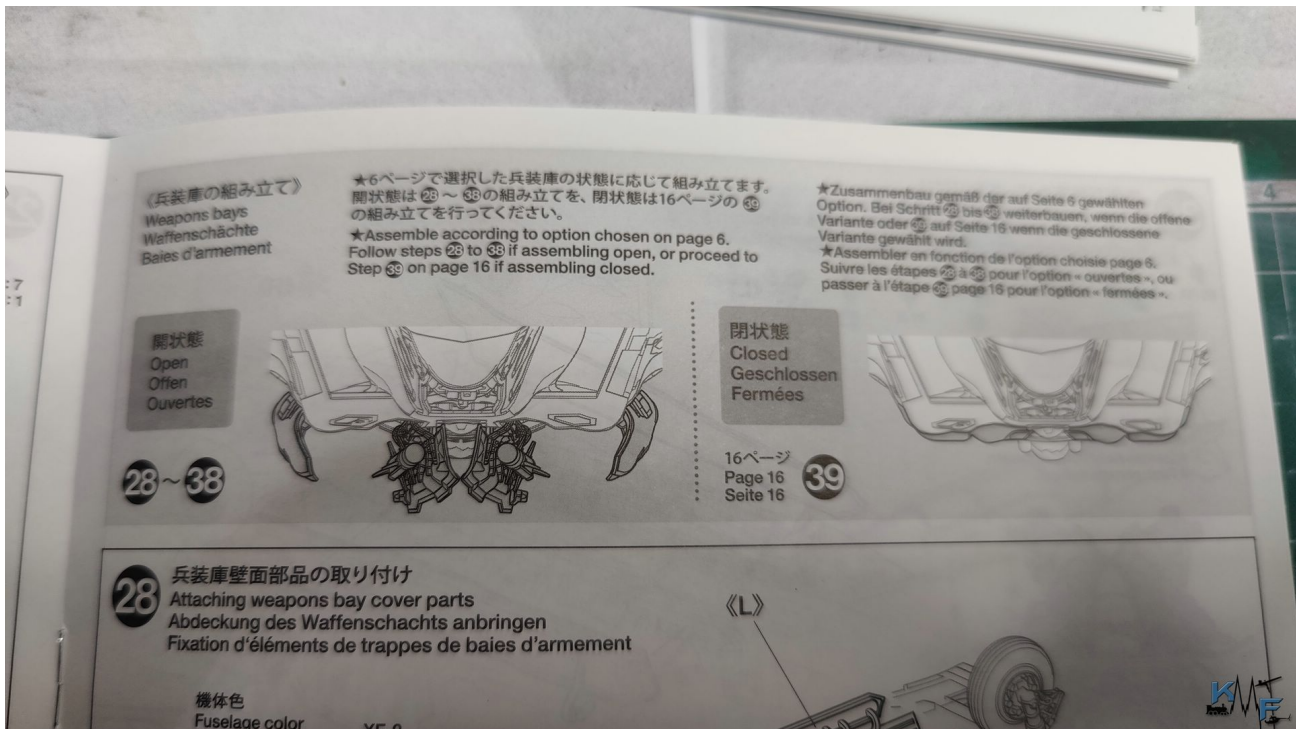

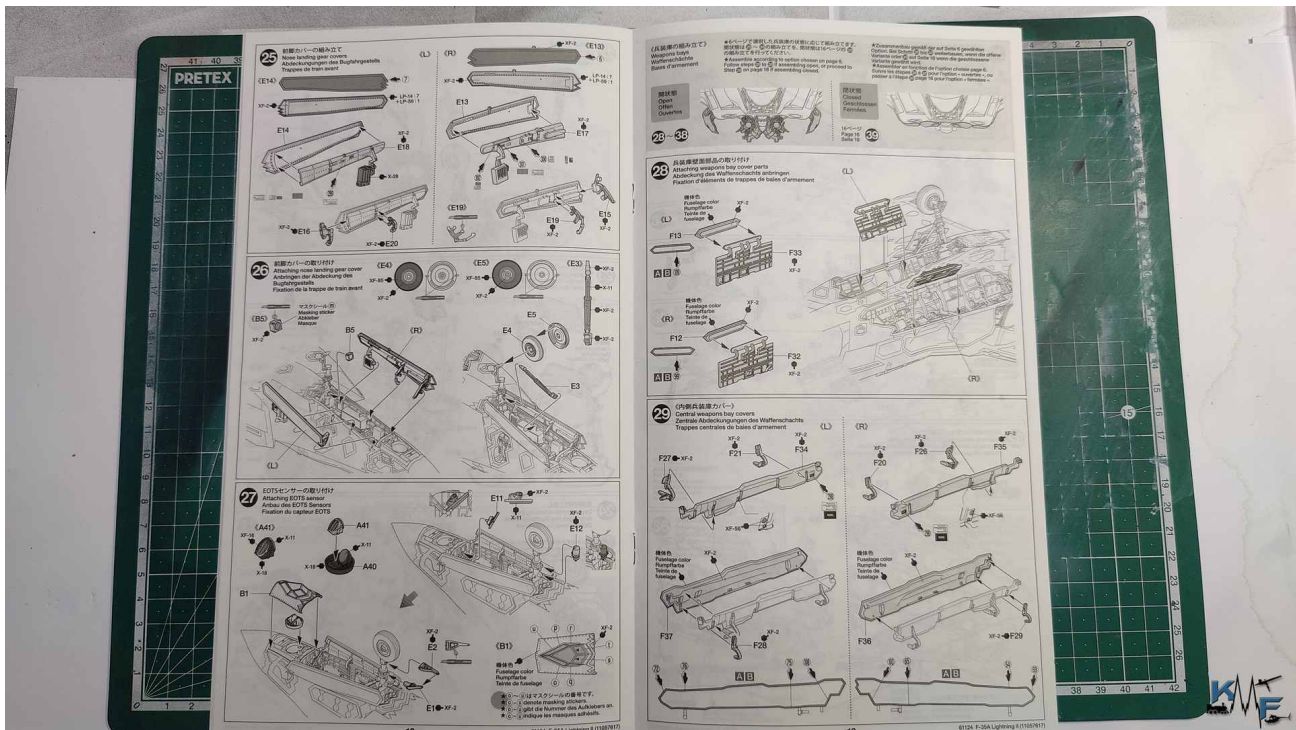

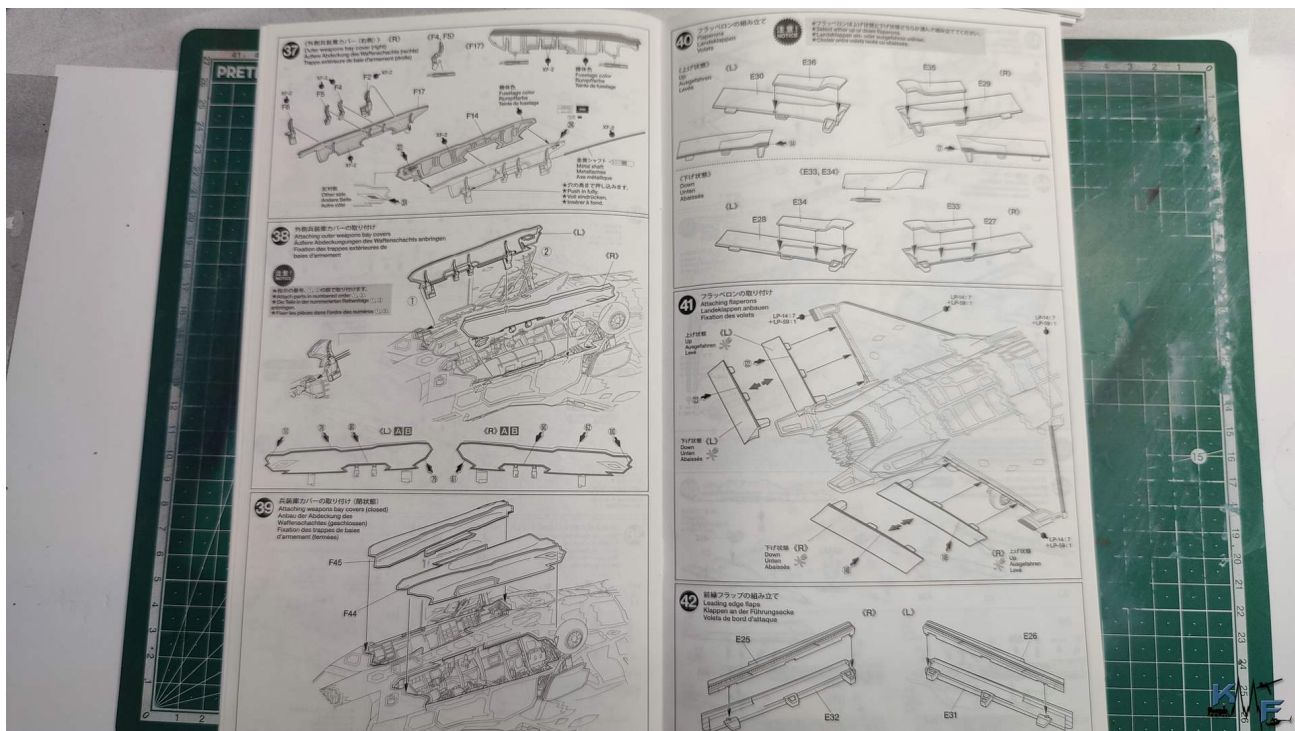

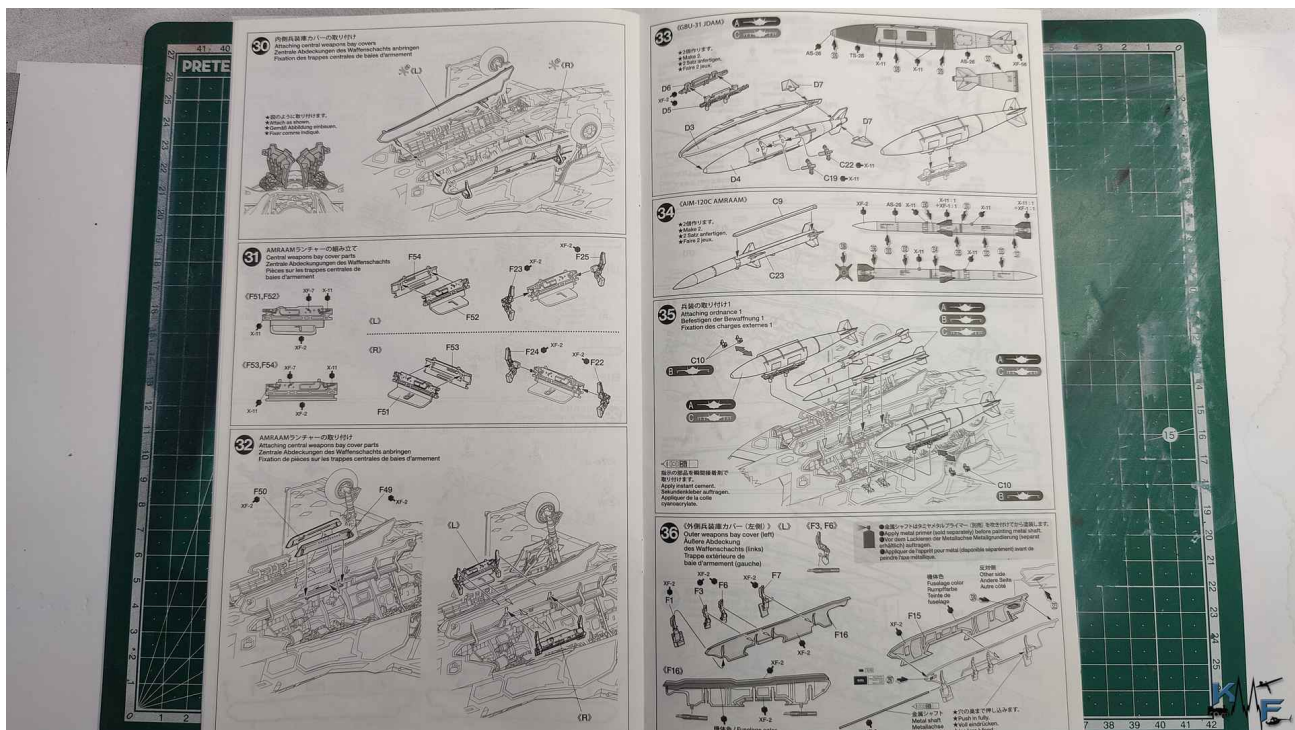

Bauanleitung

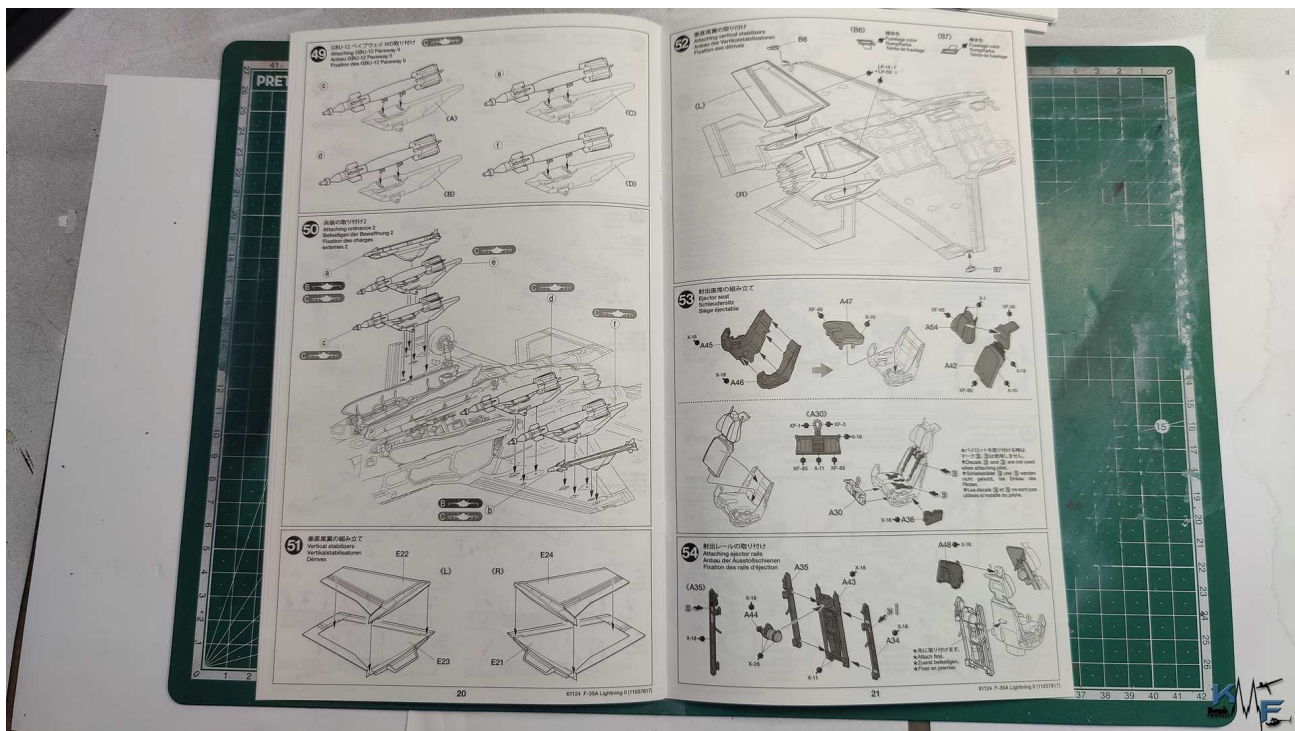

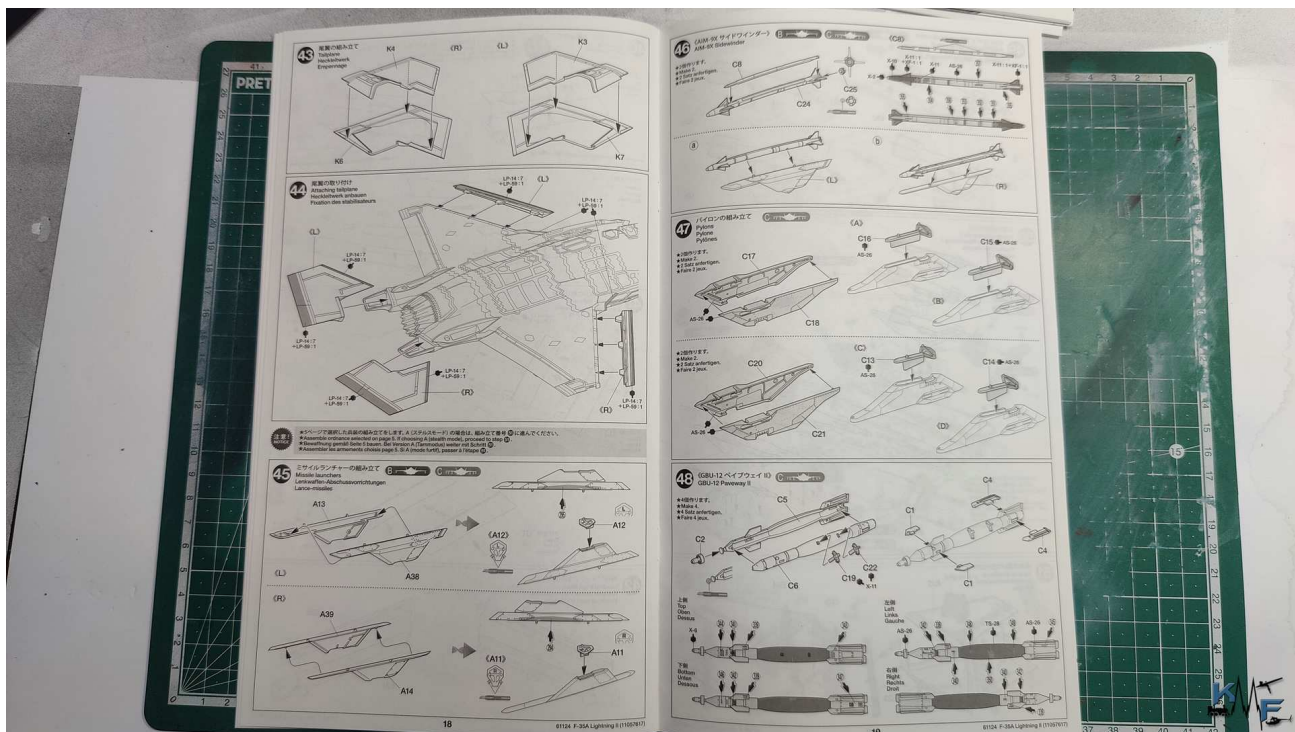

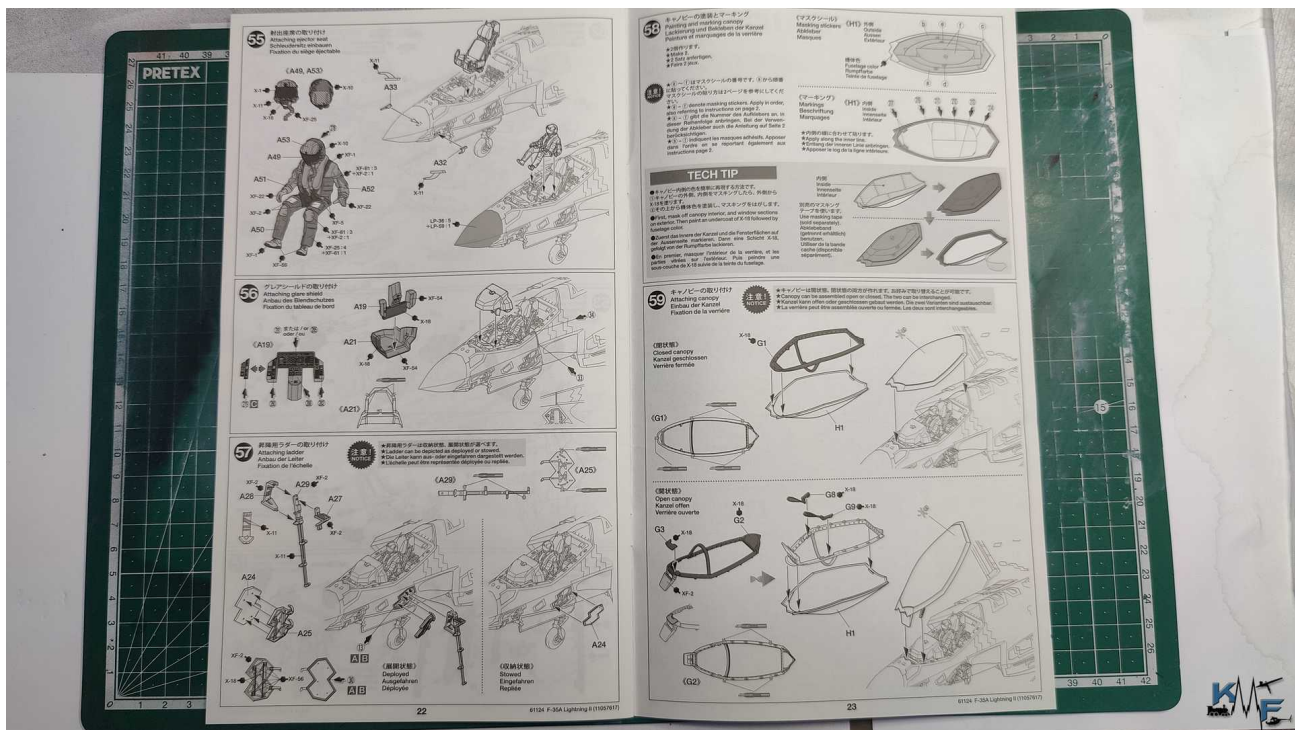

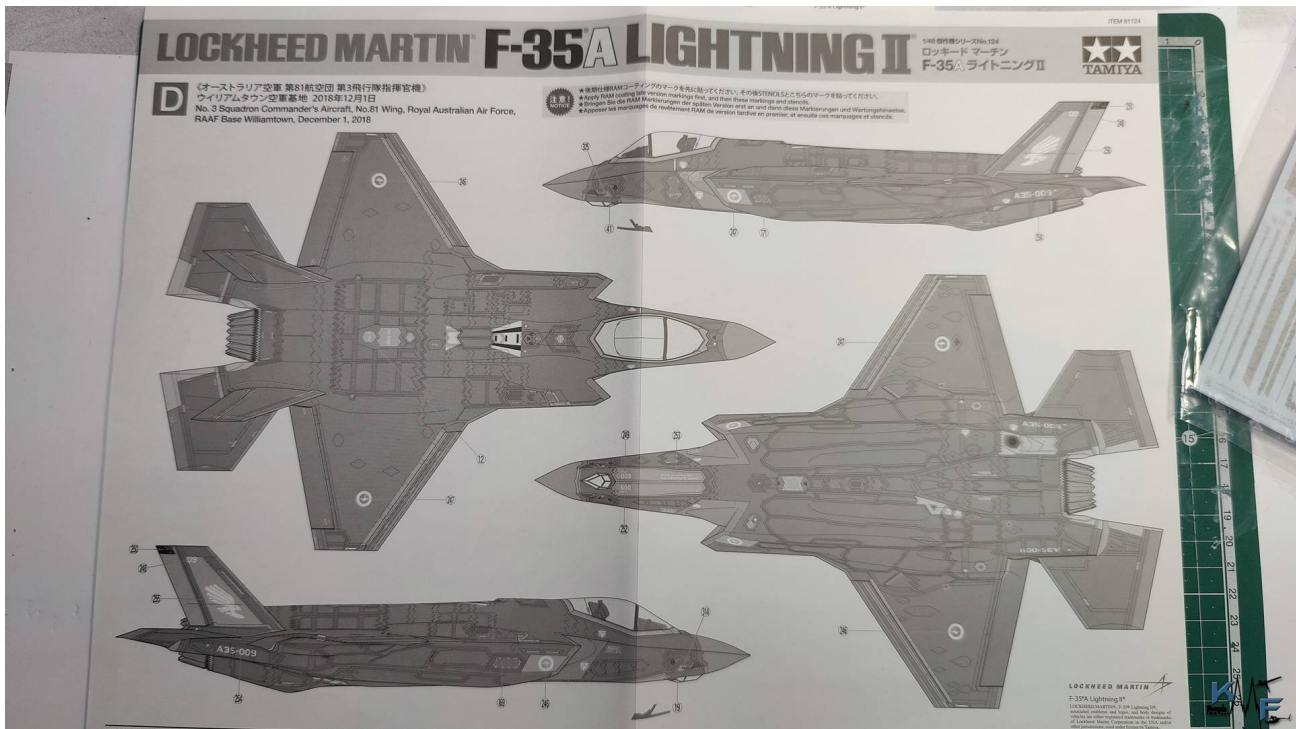

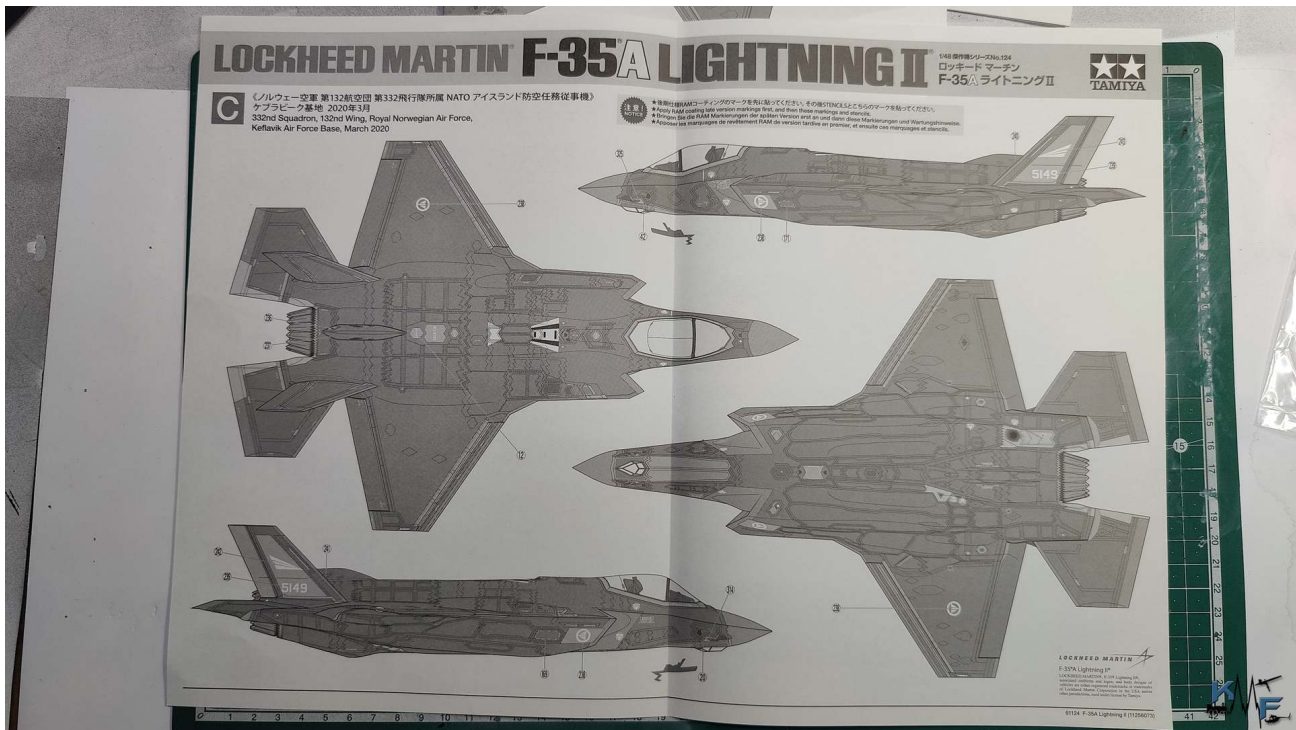

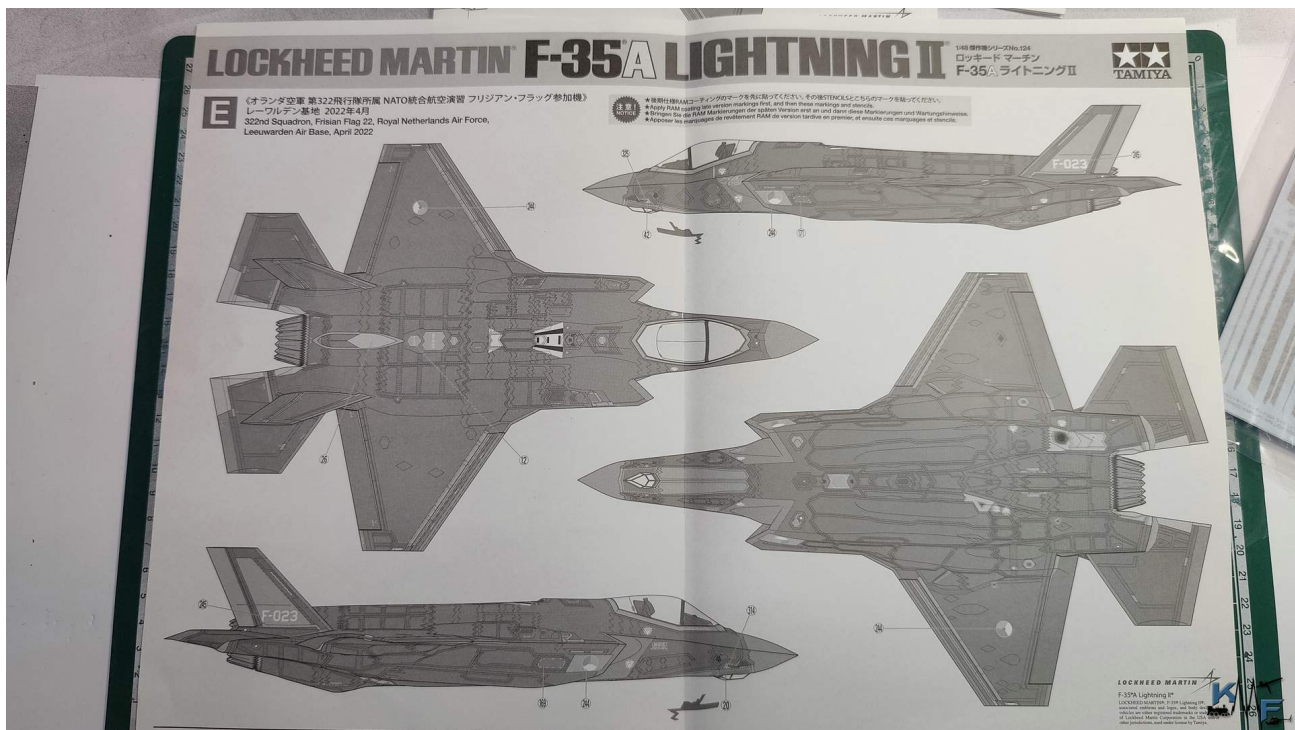

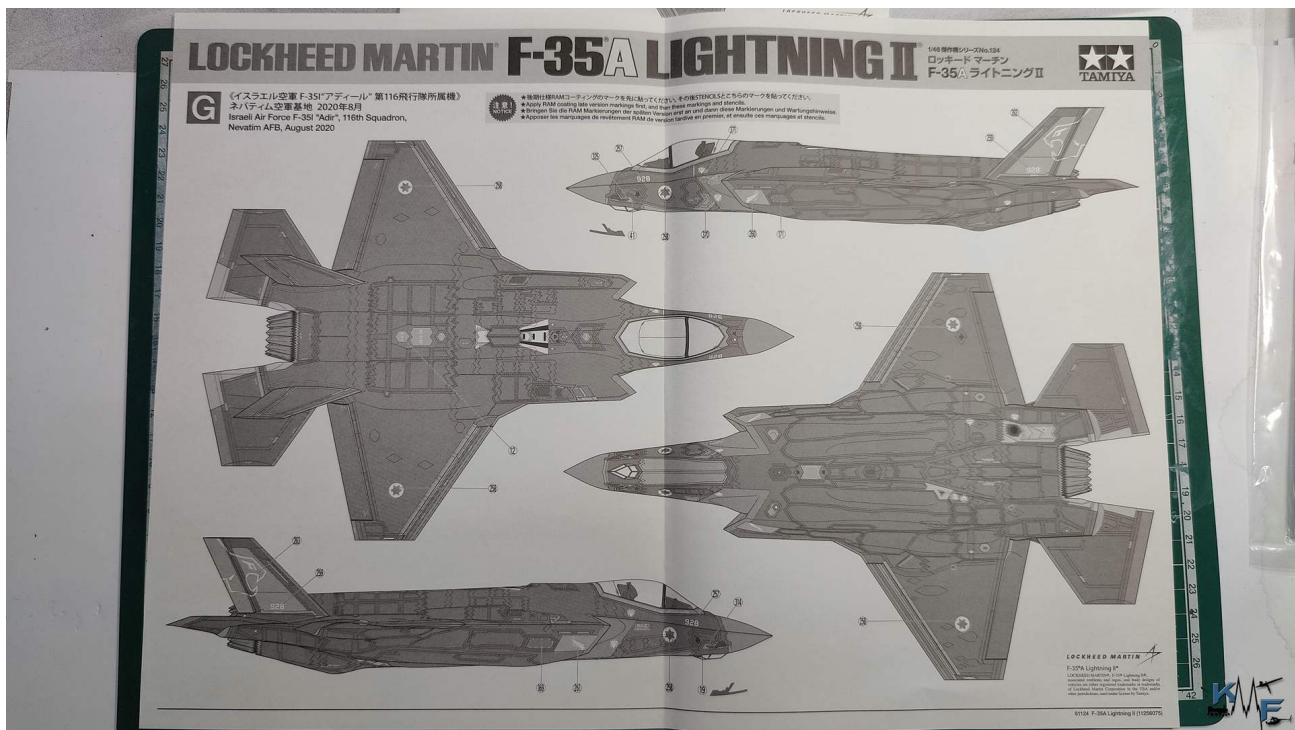

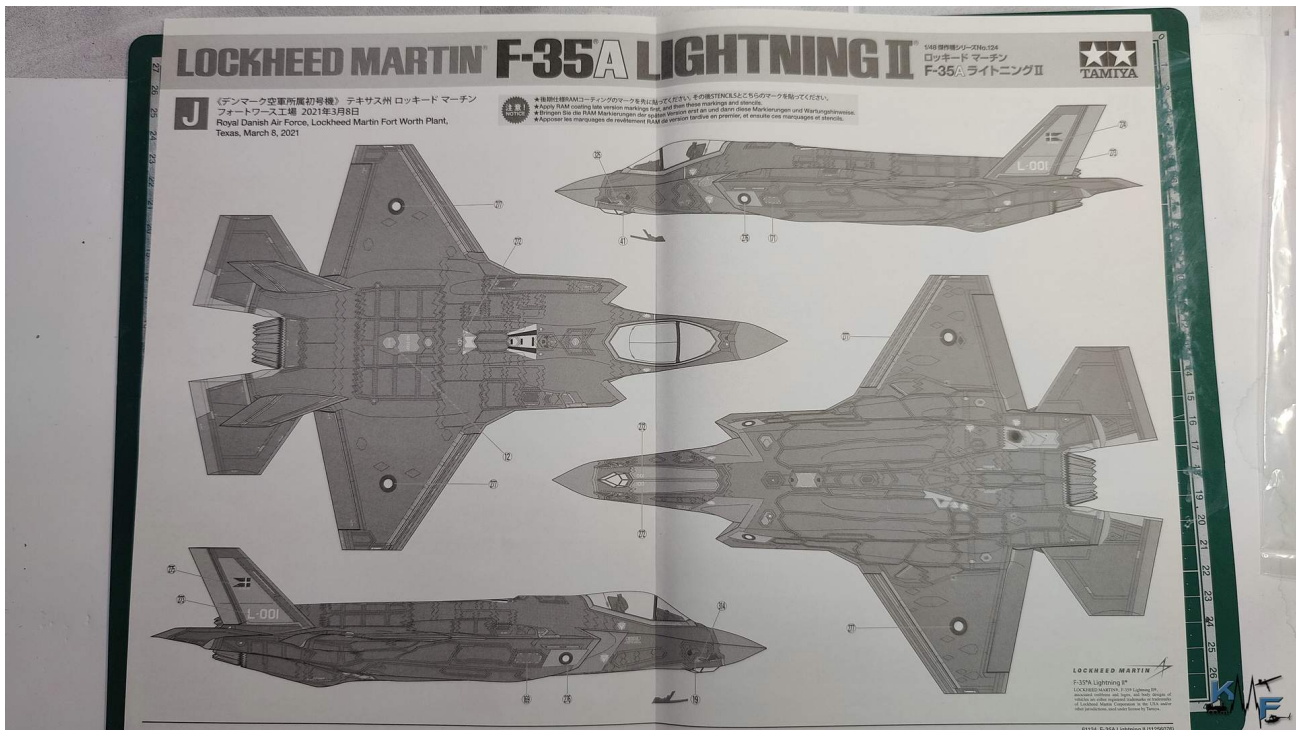

Für jede der 9 Versionen gibt es eine Anleitung für die Decals.

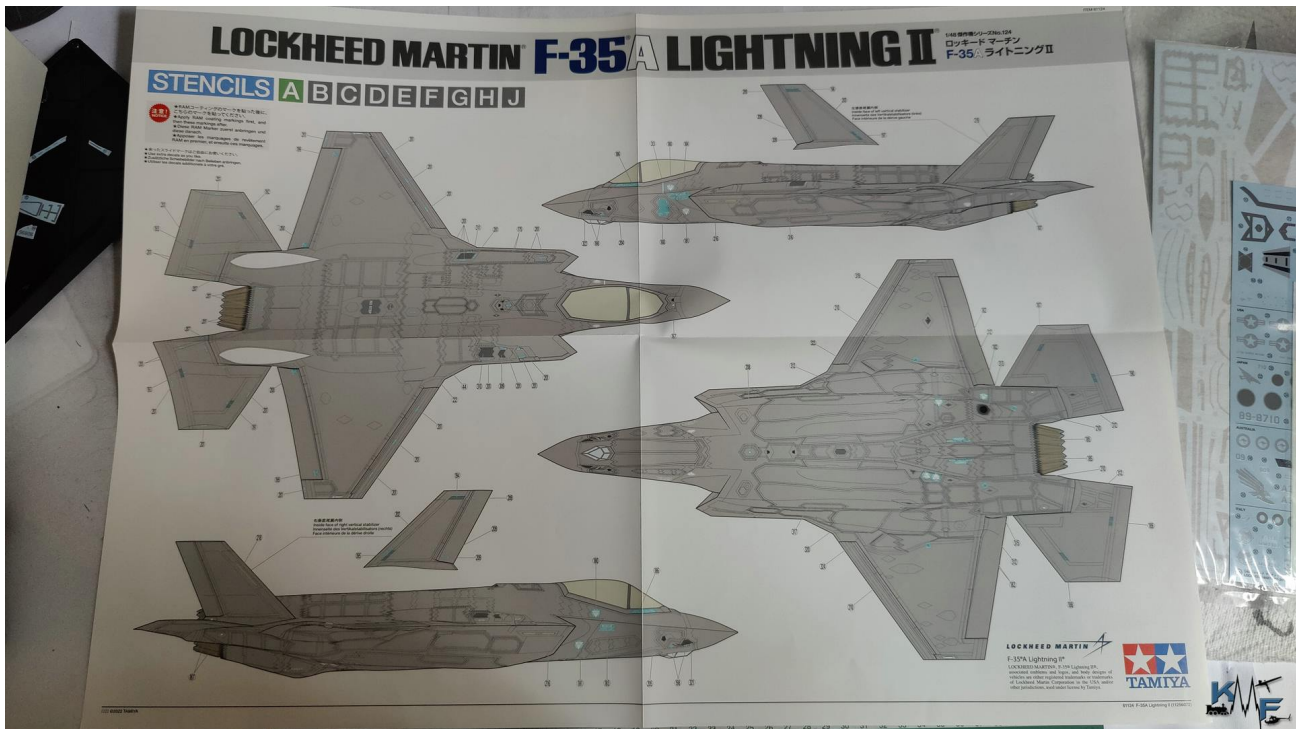

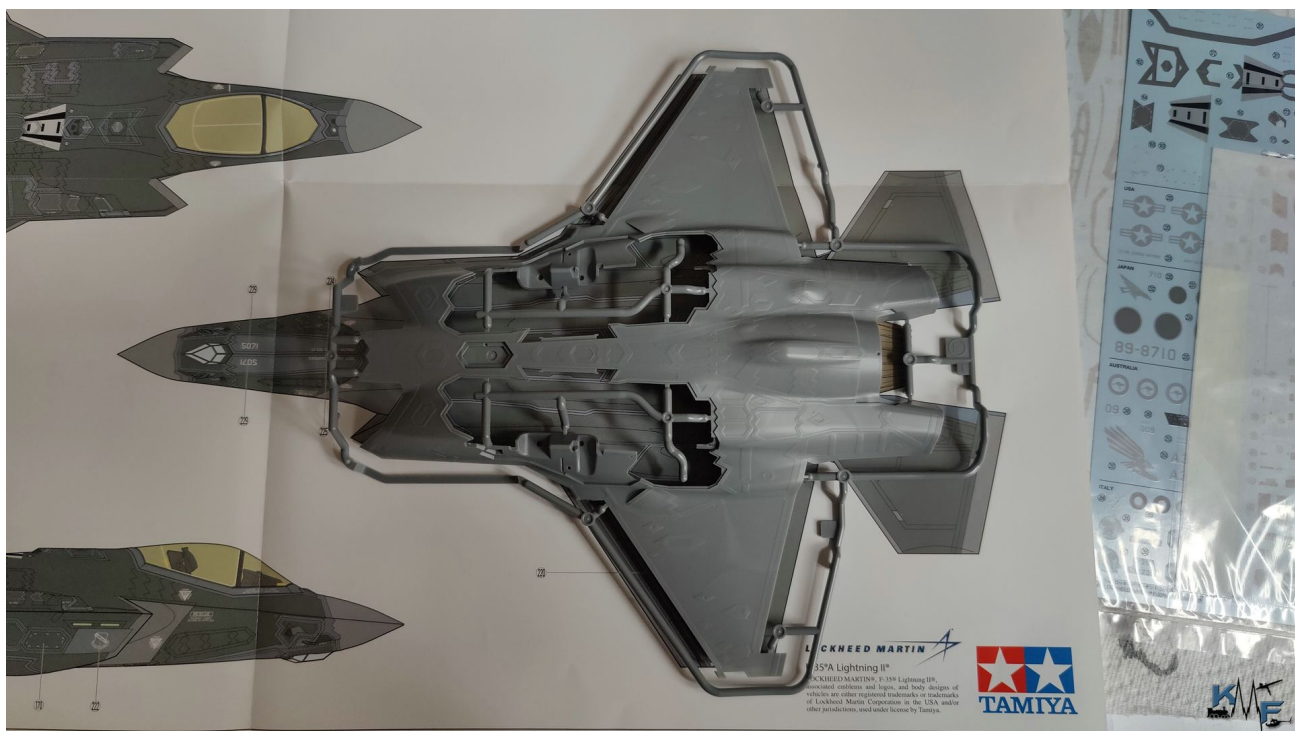

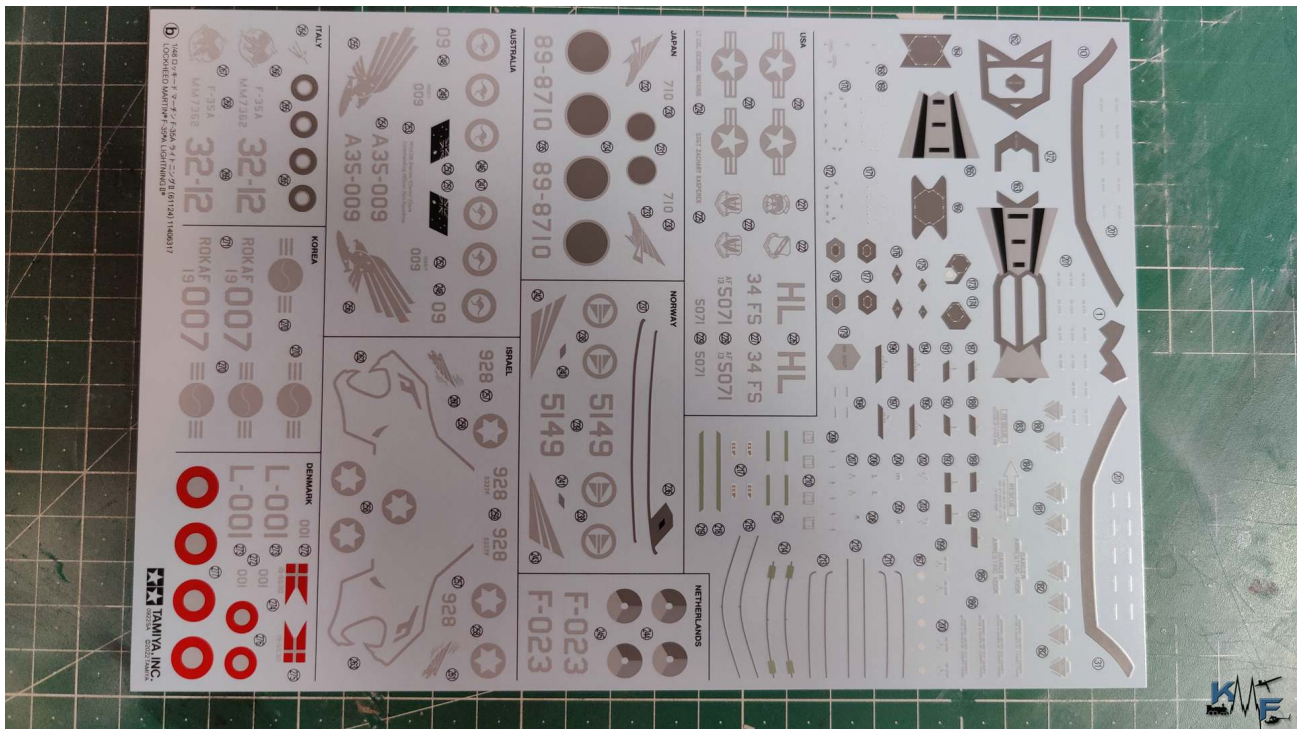

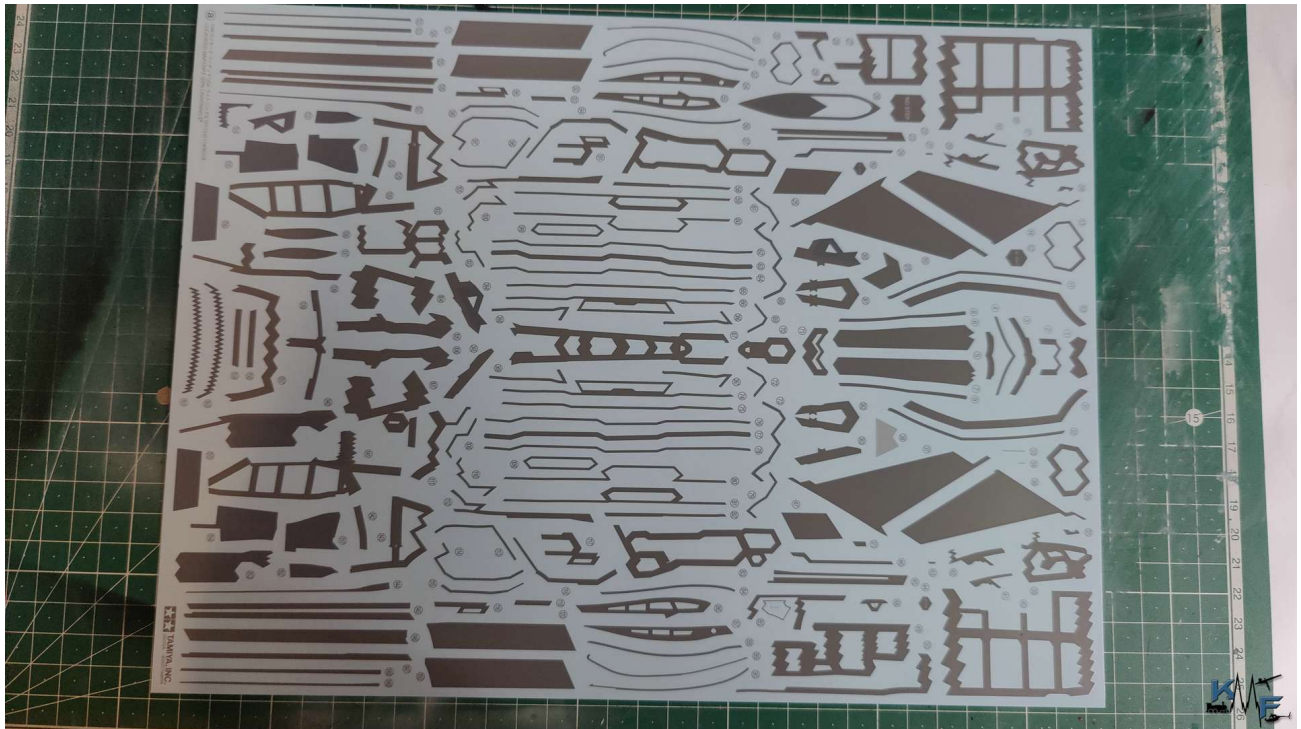

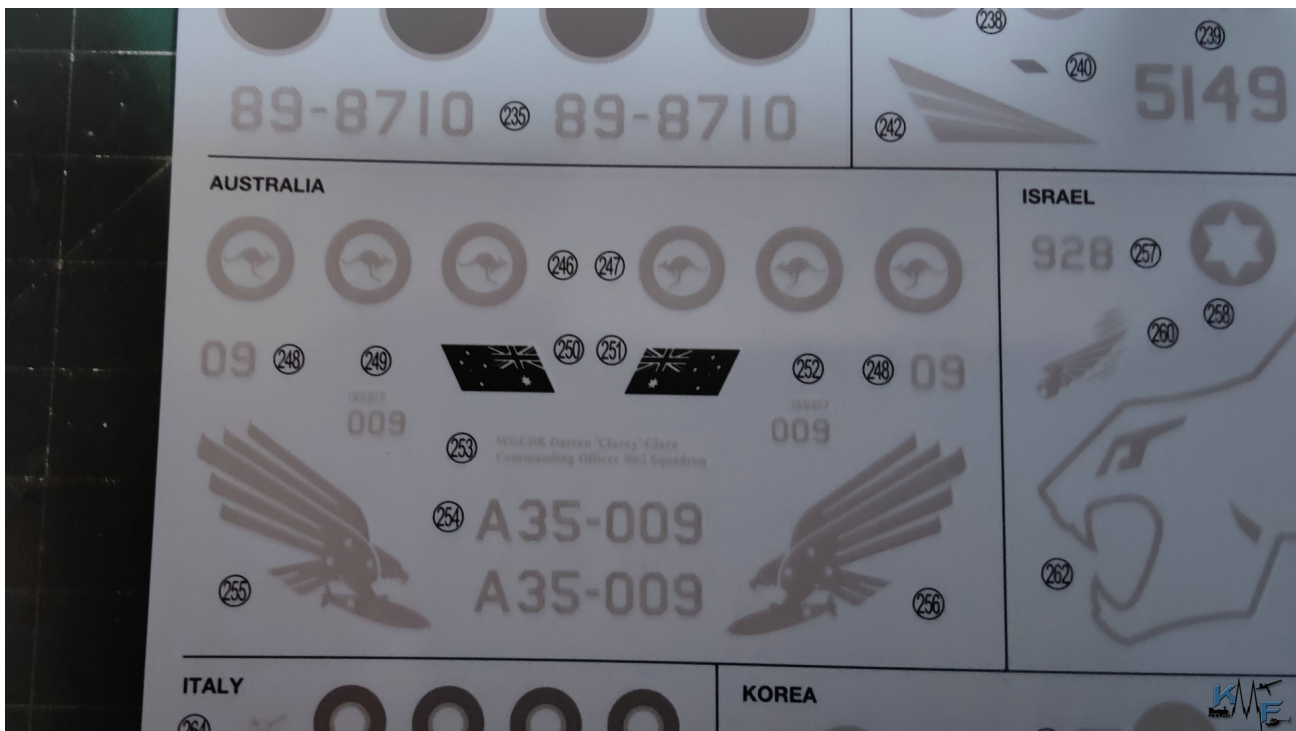

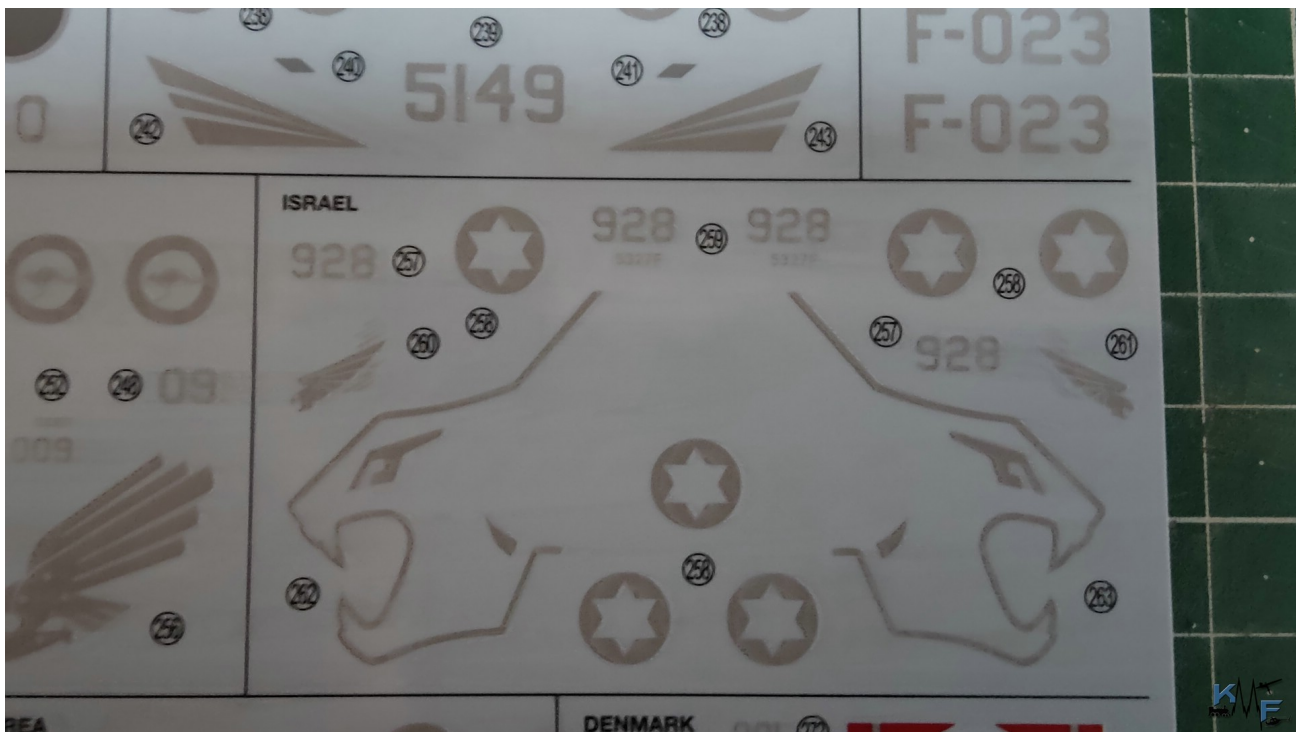

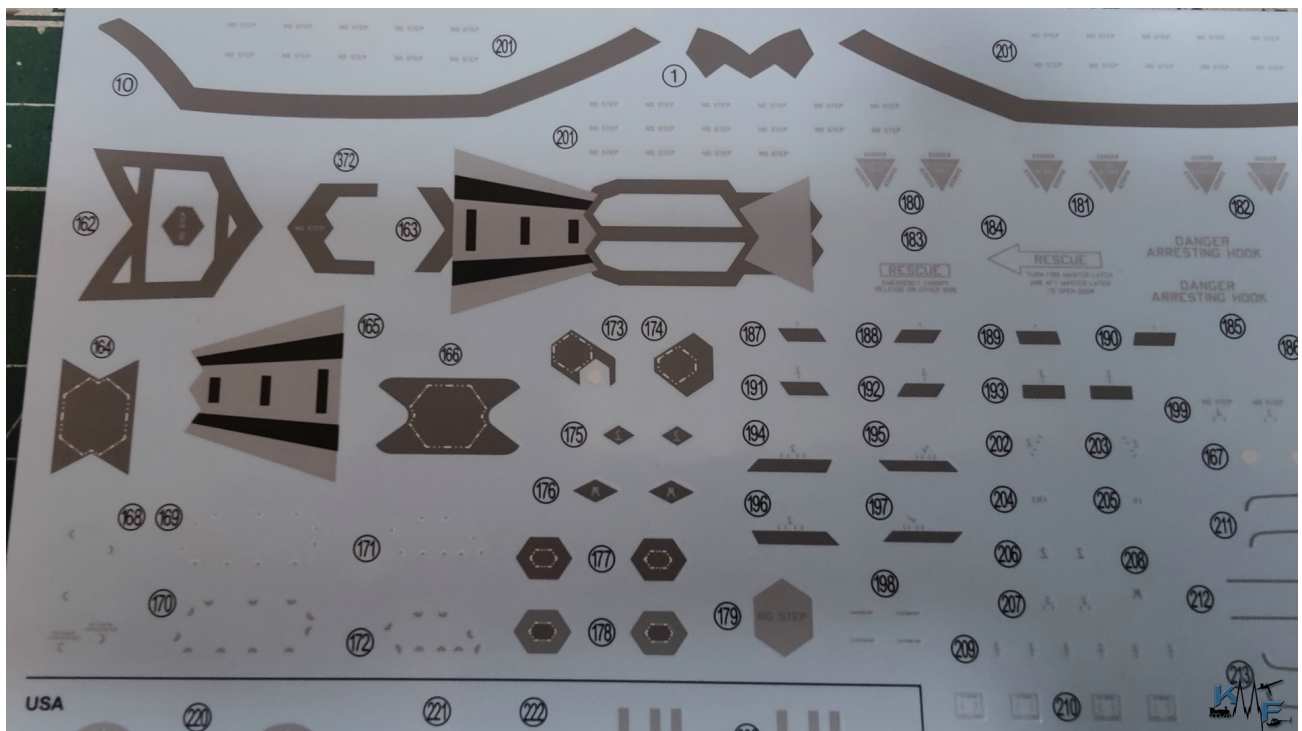

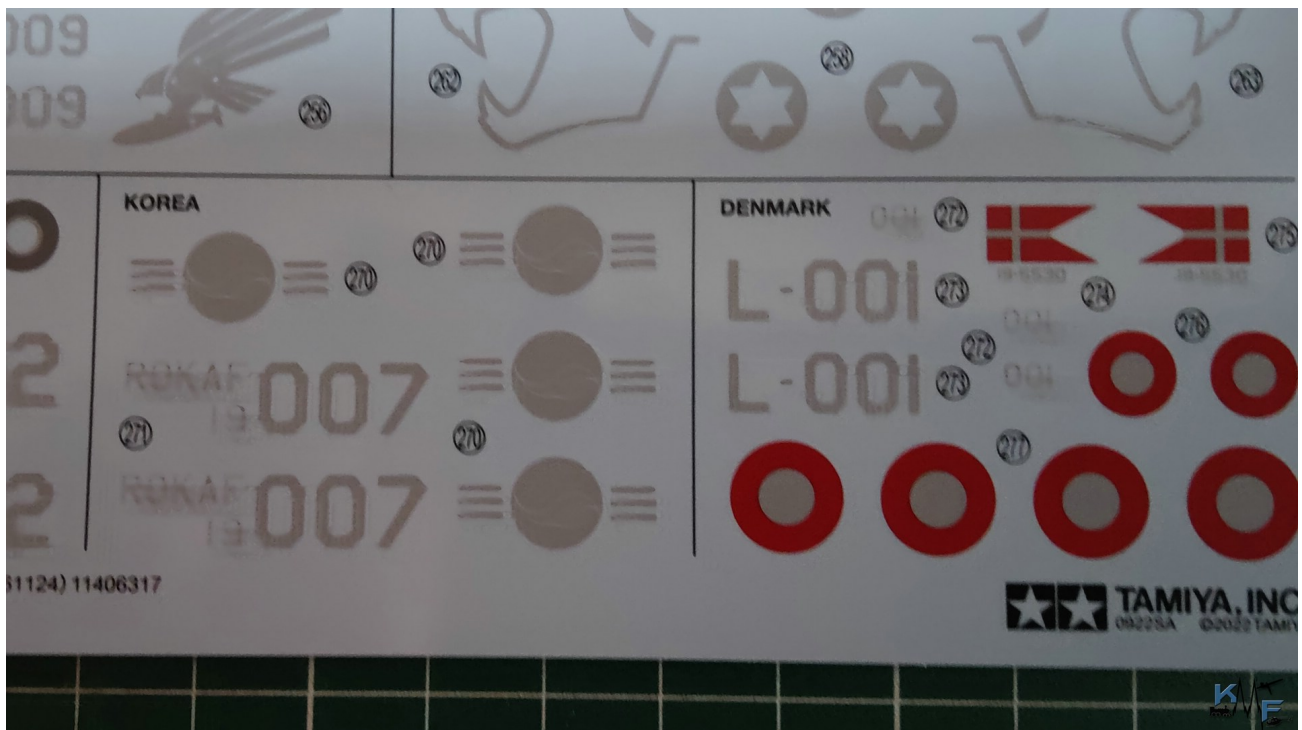

Die Anleitung für die Decals ist in Größe des Flugzeug.

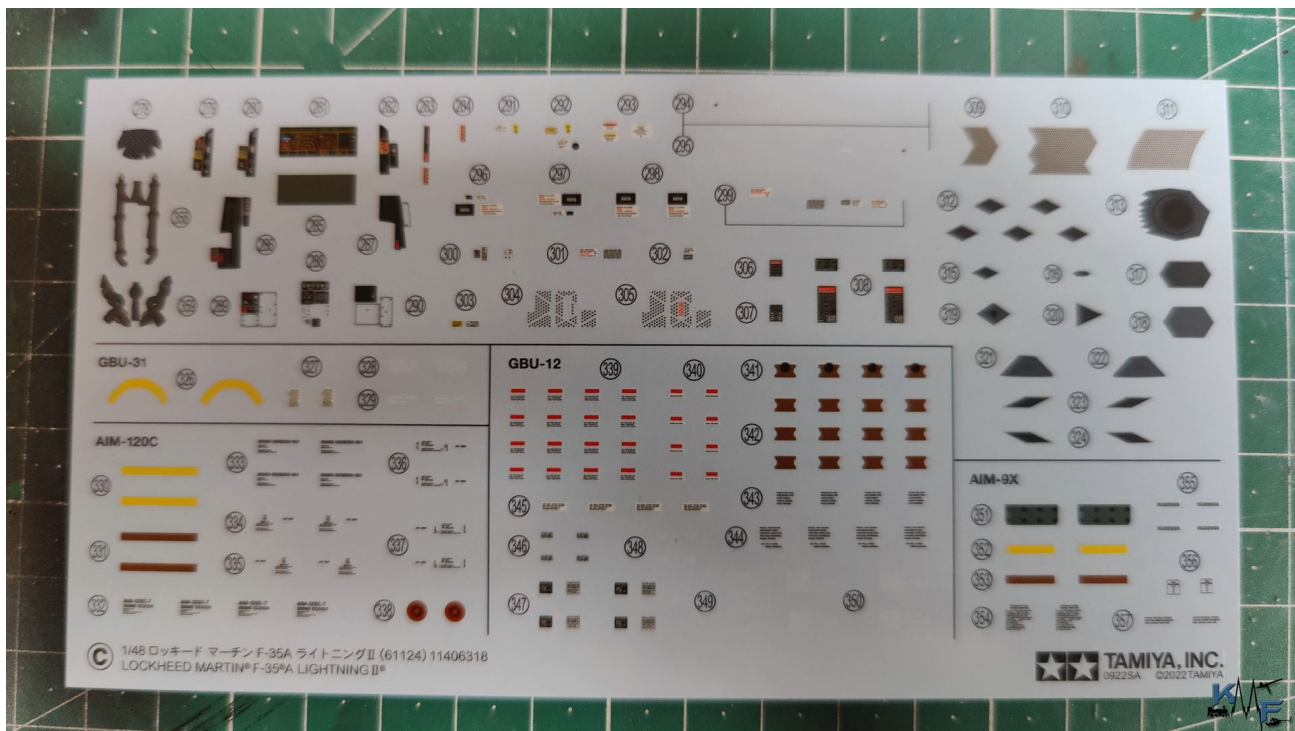

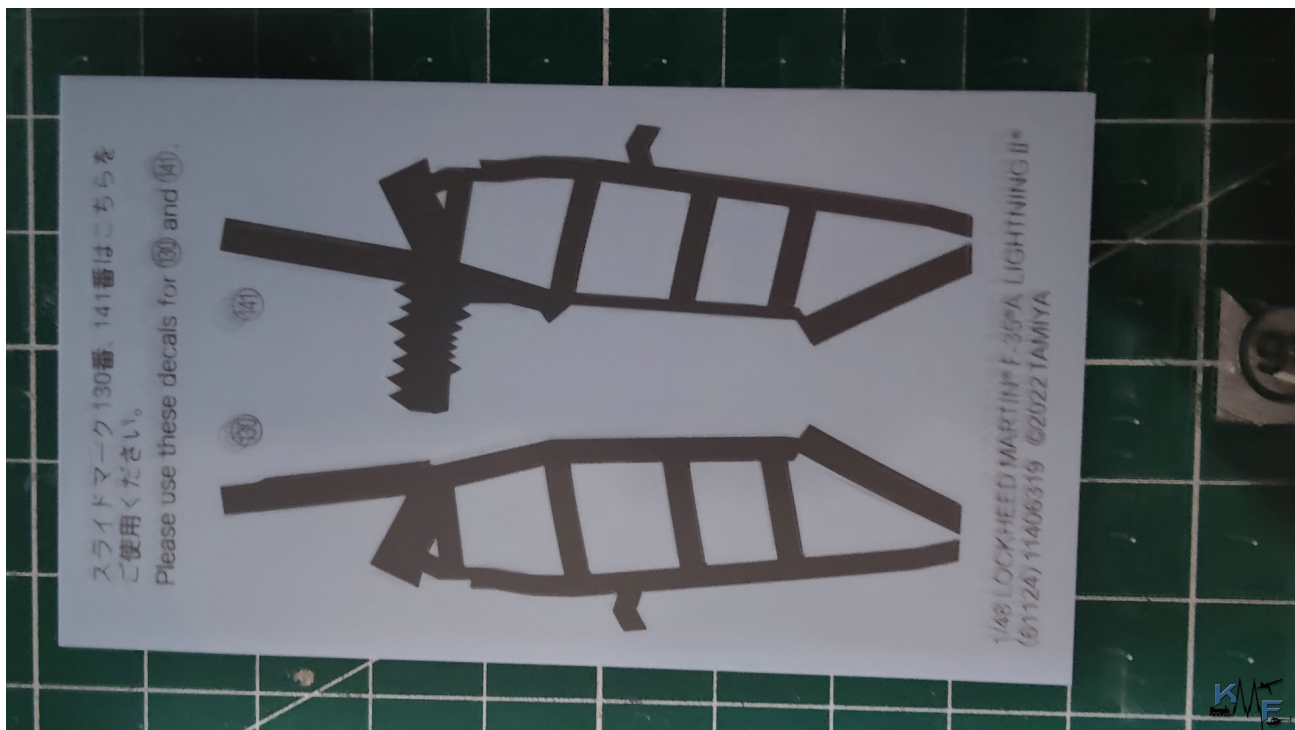

Detail-Bögen

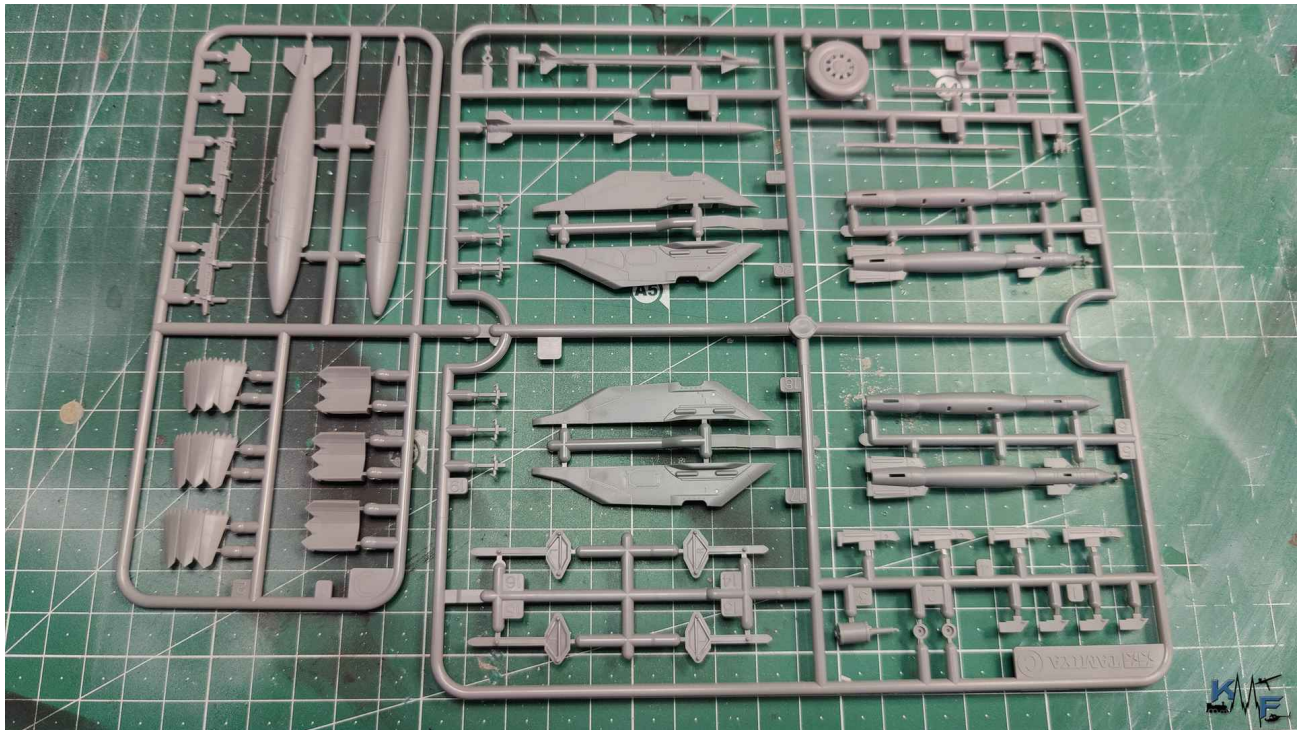

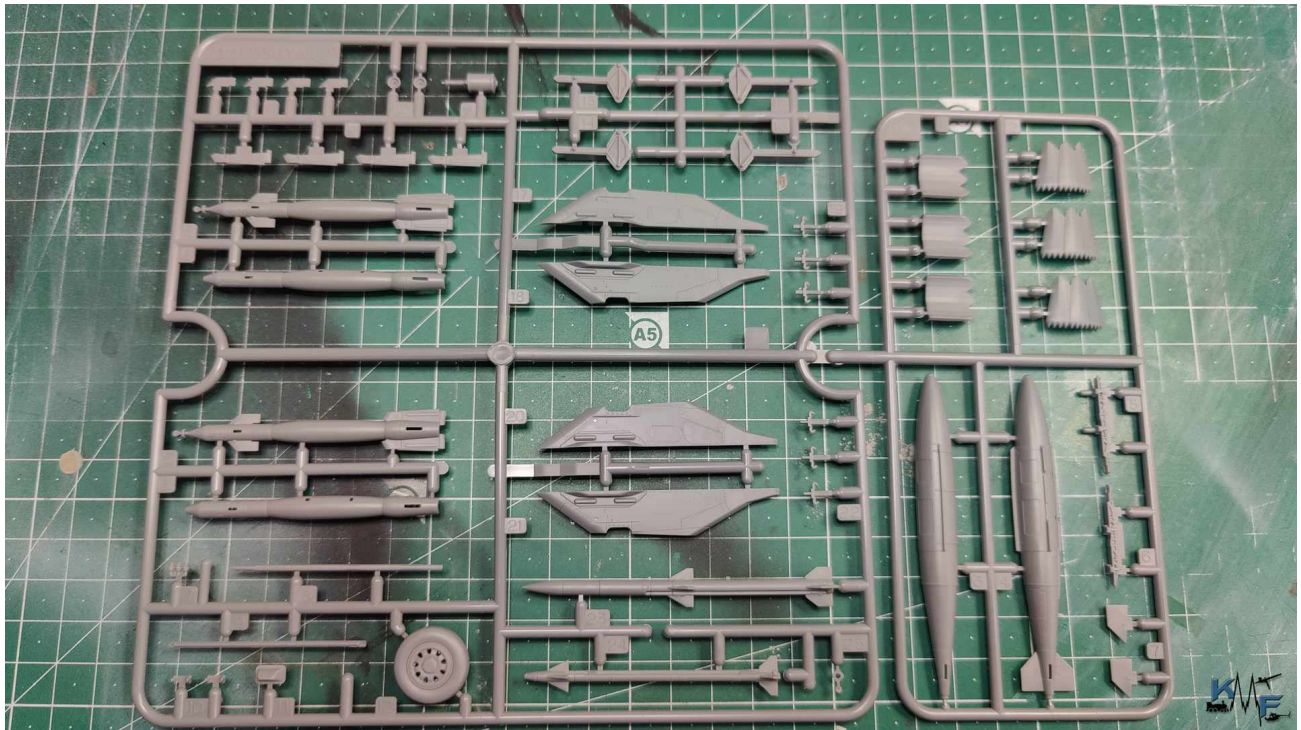

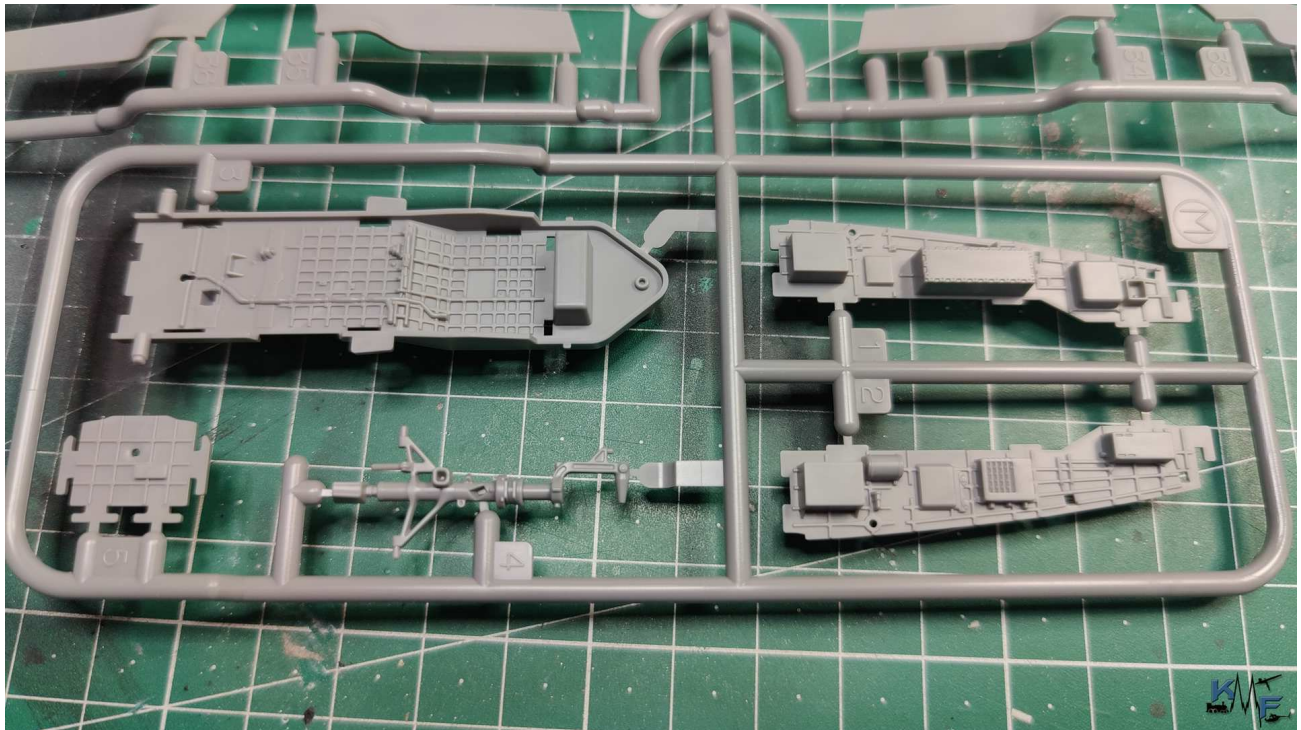

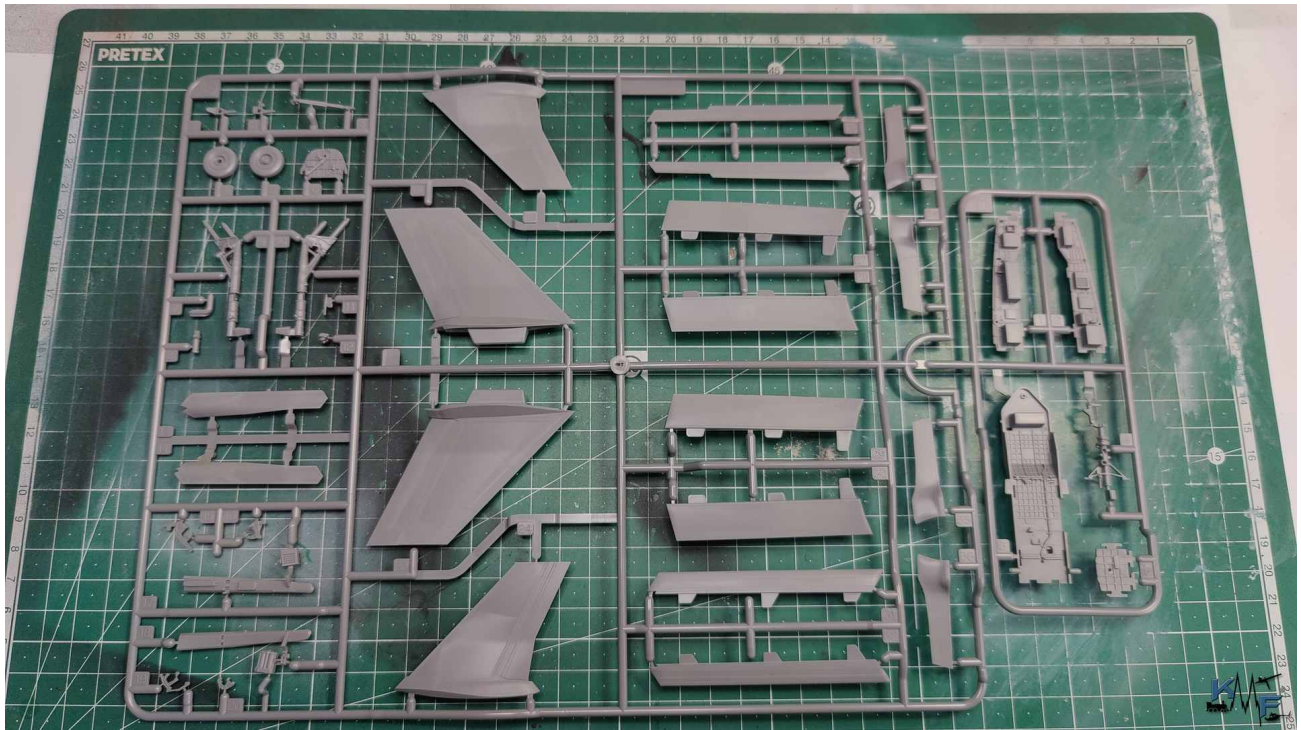

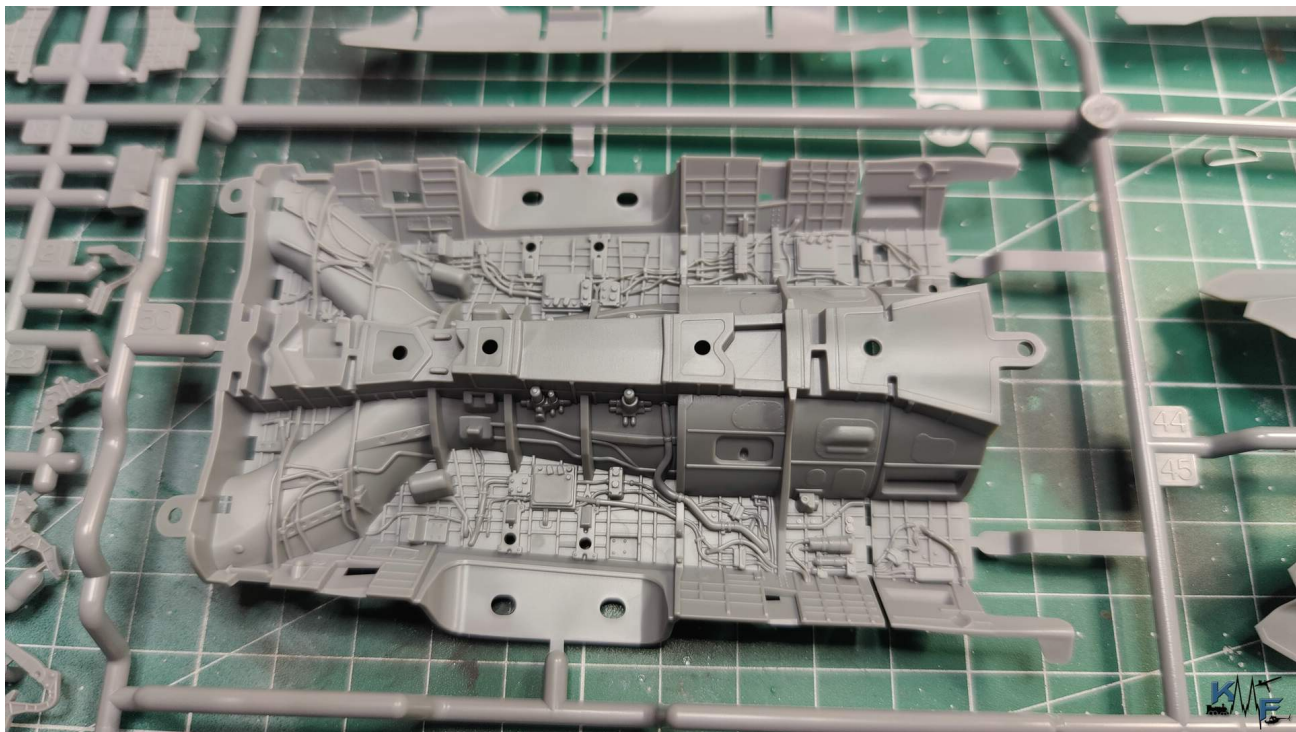

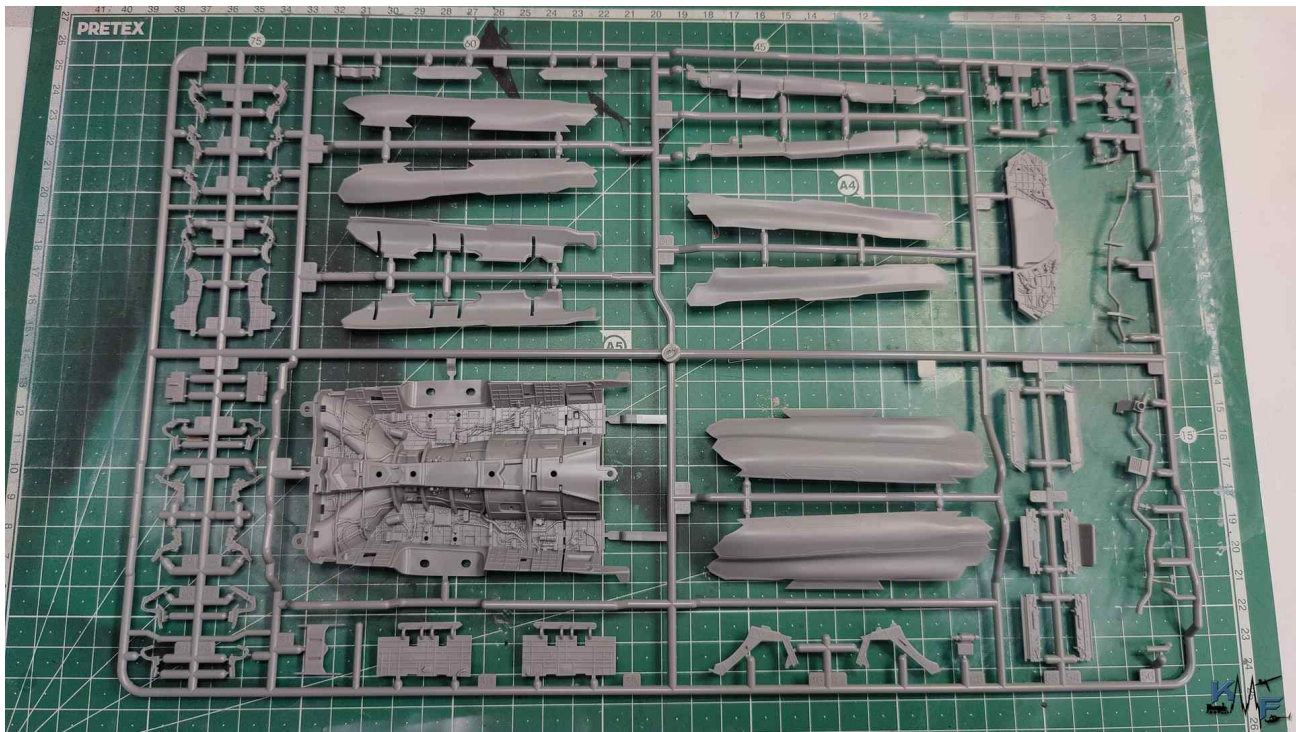

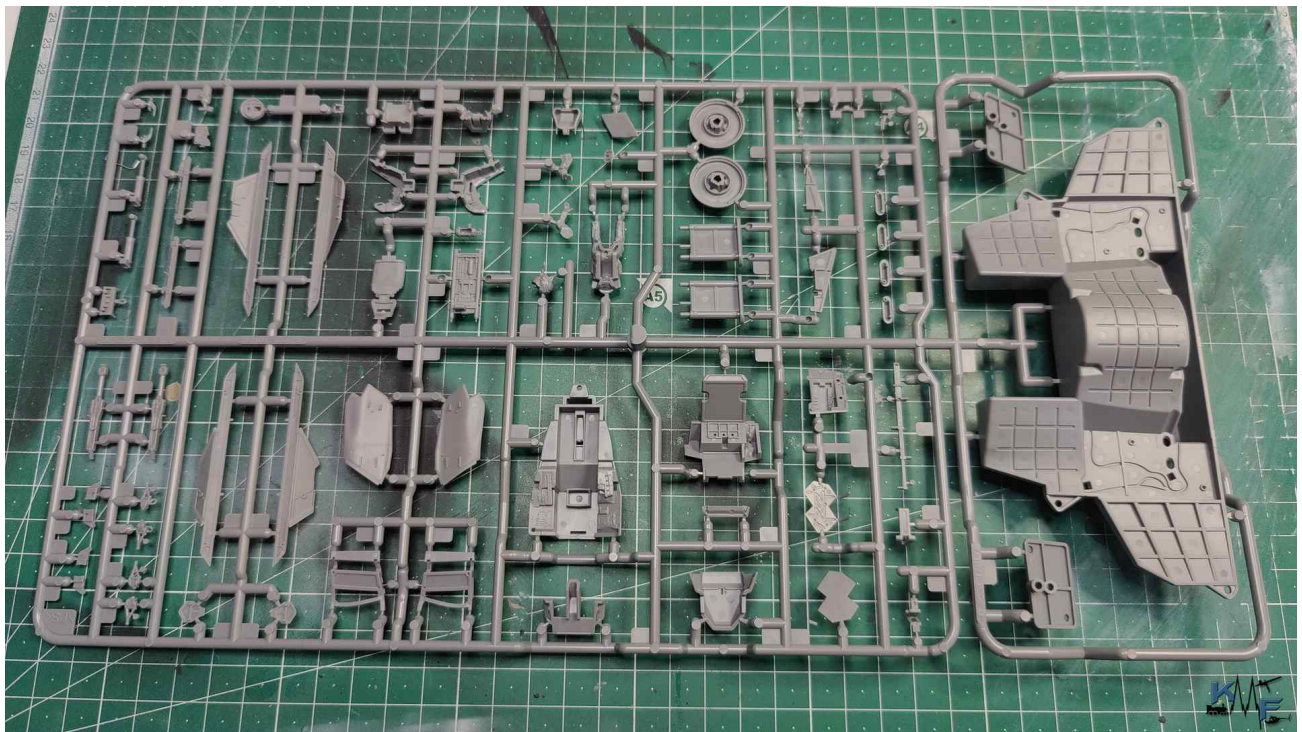

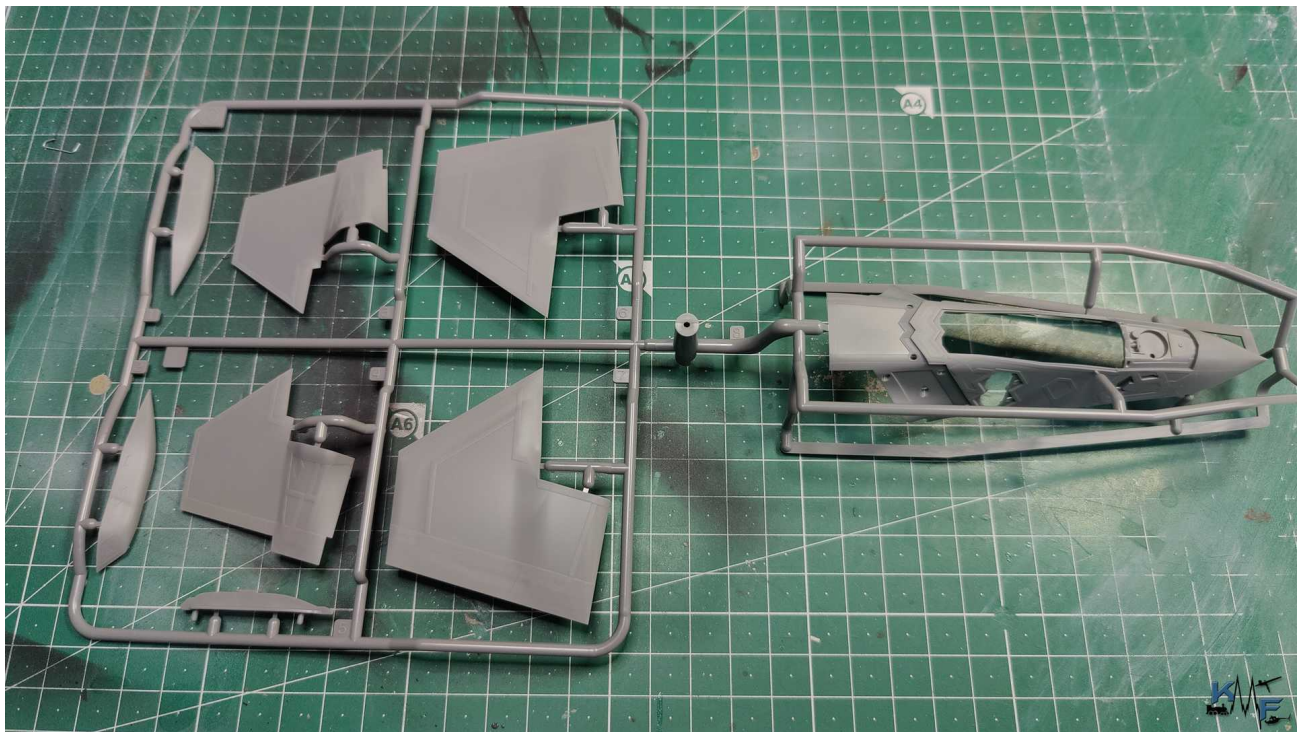

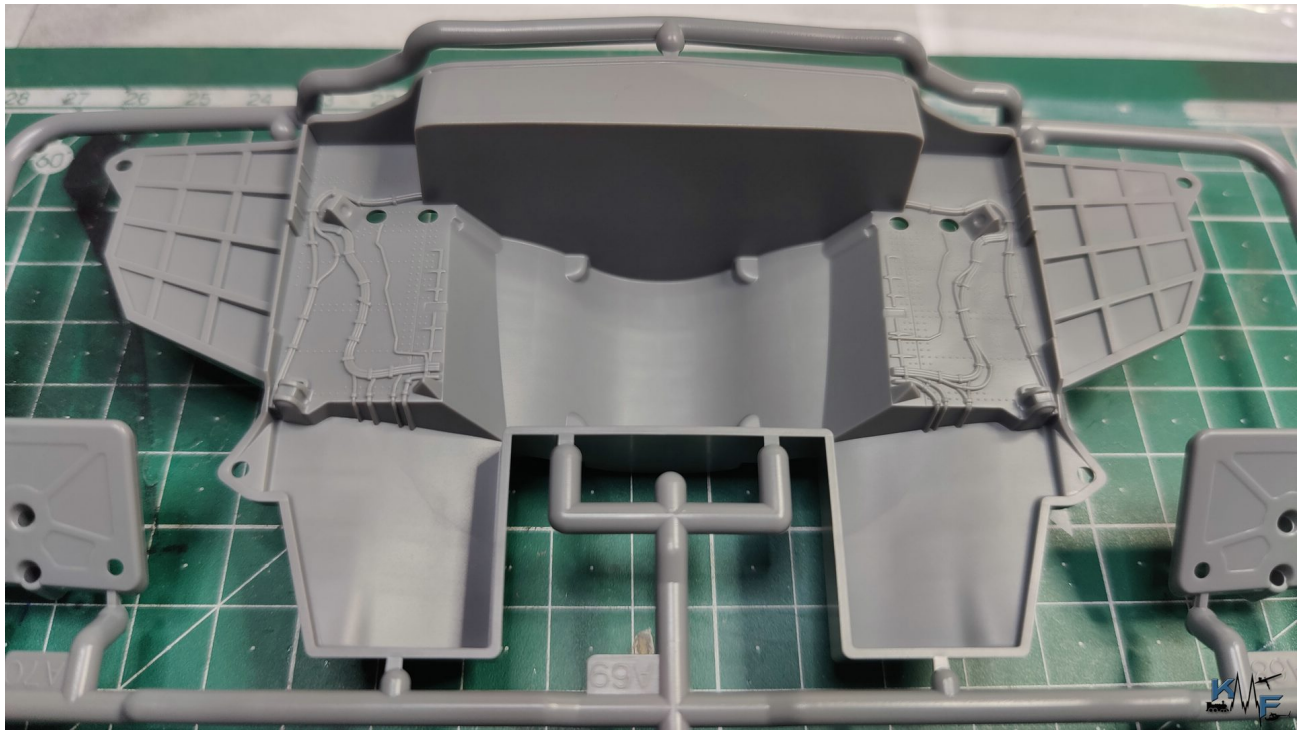

Gussteile

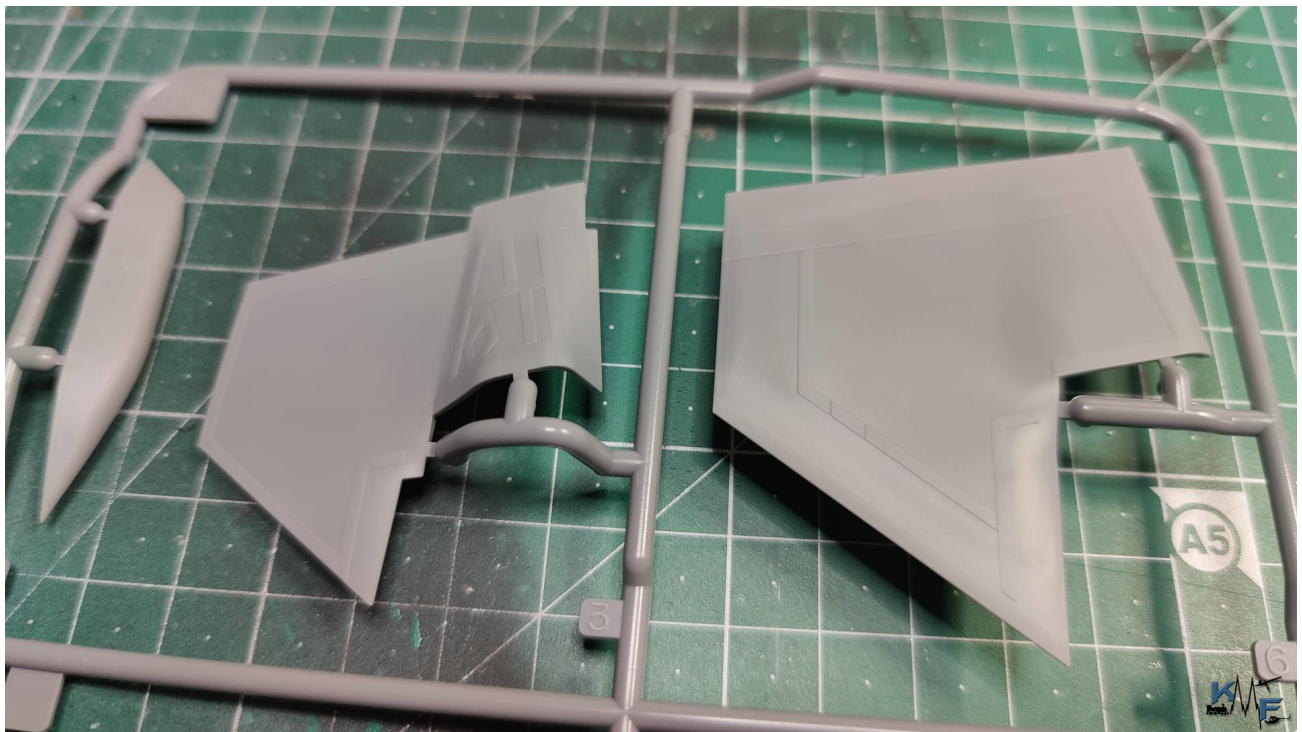

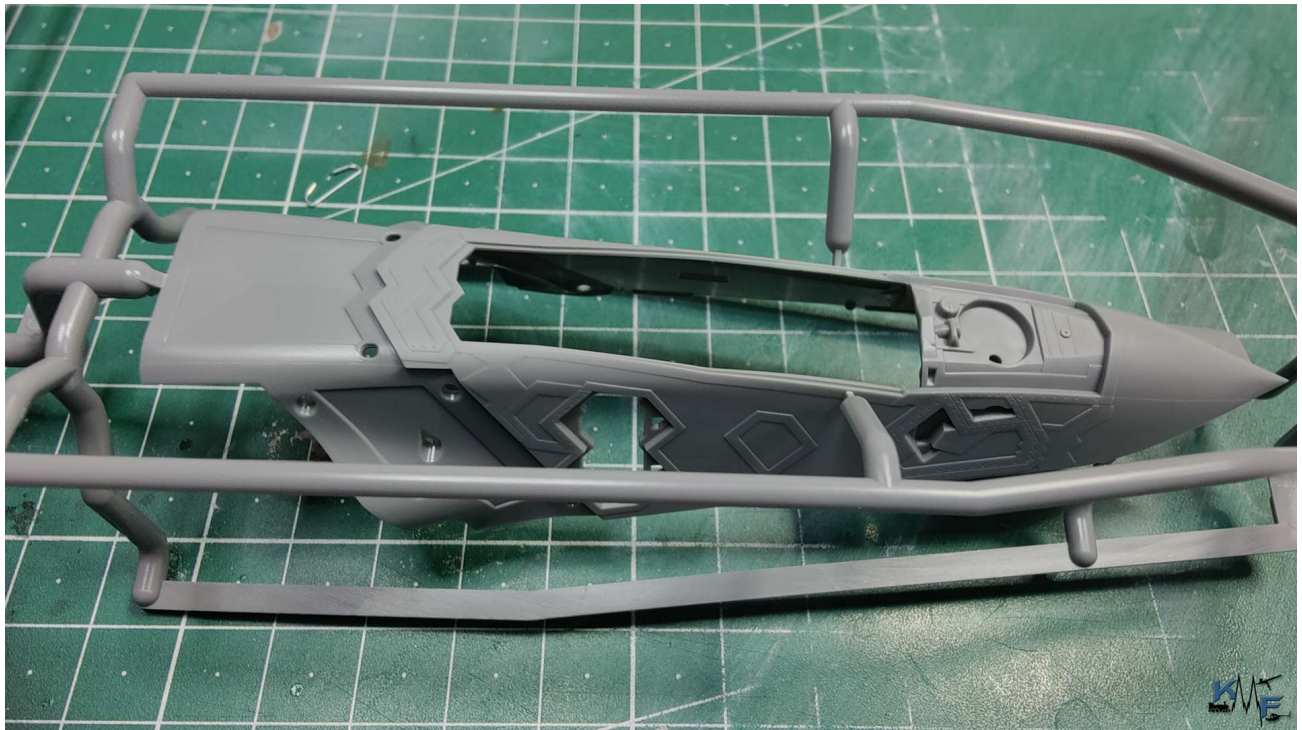

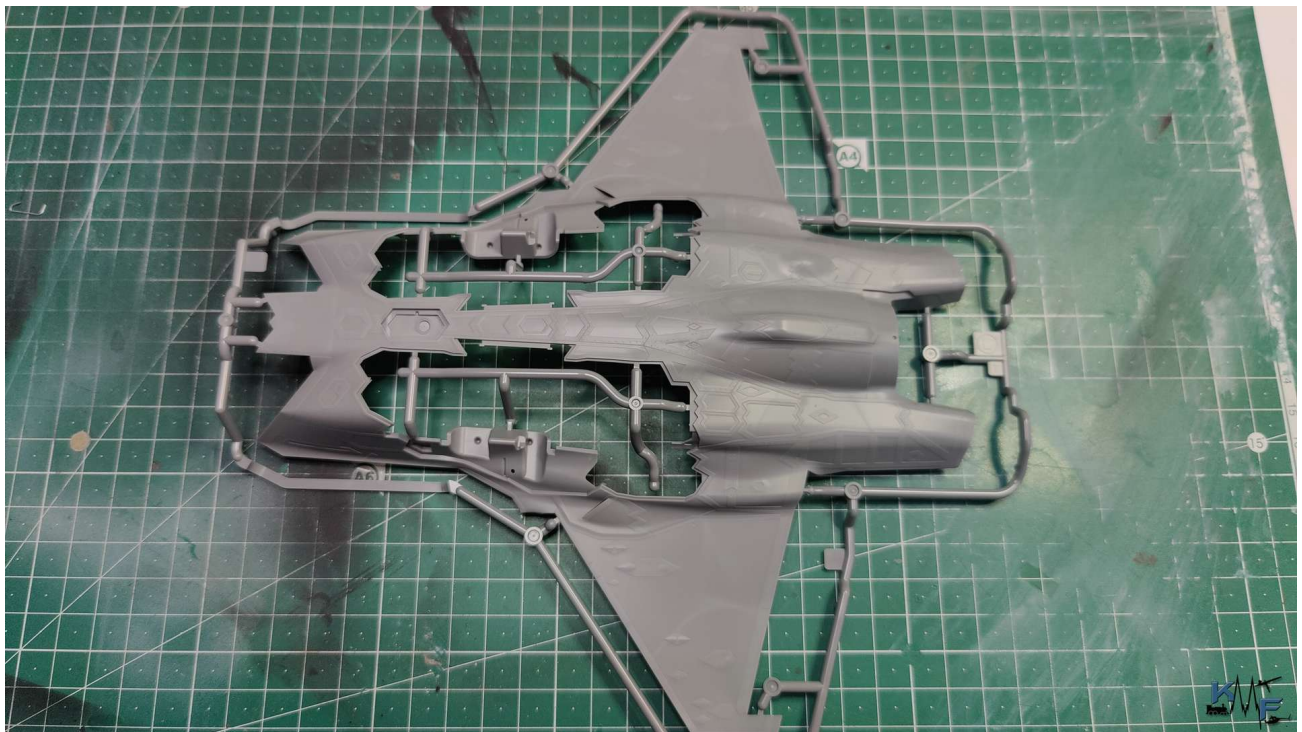

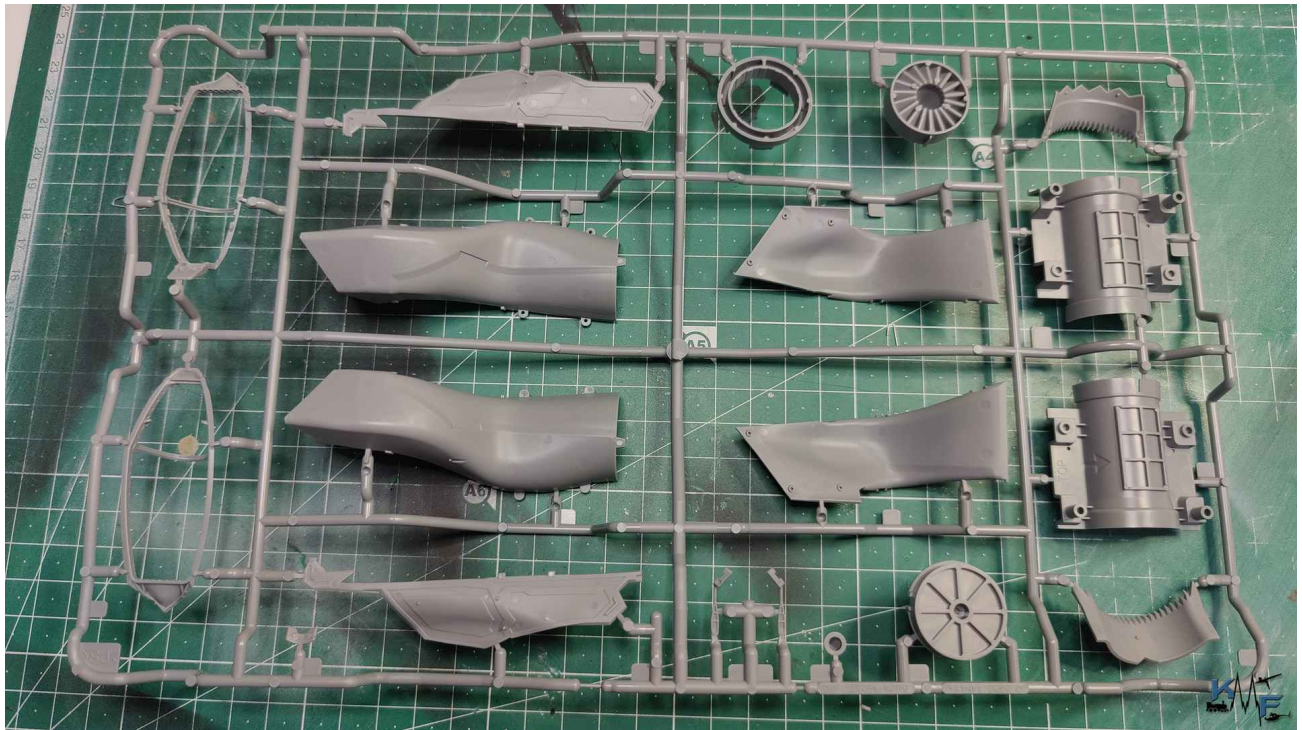

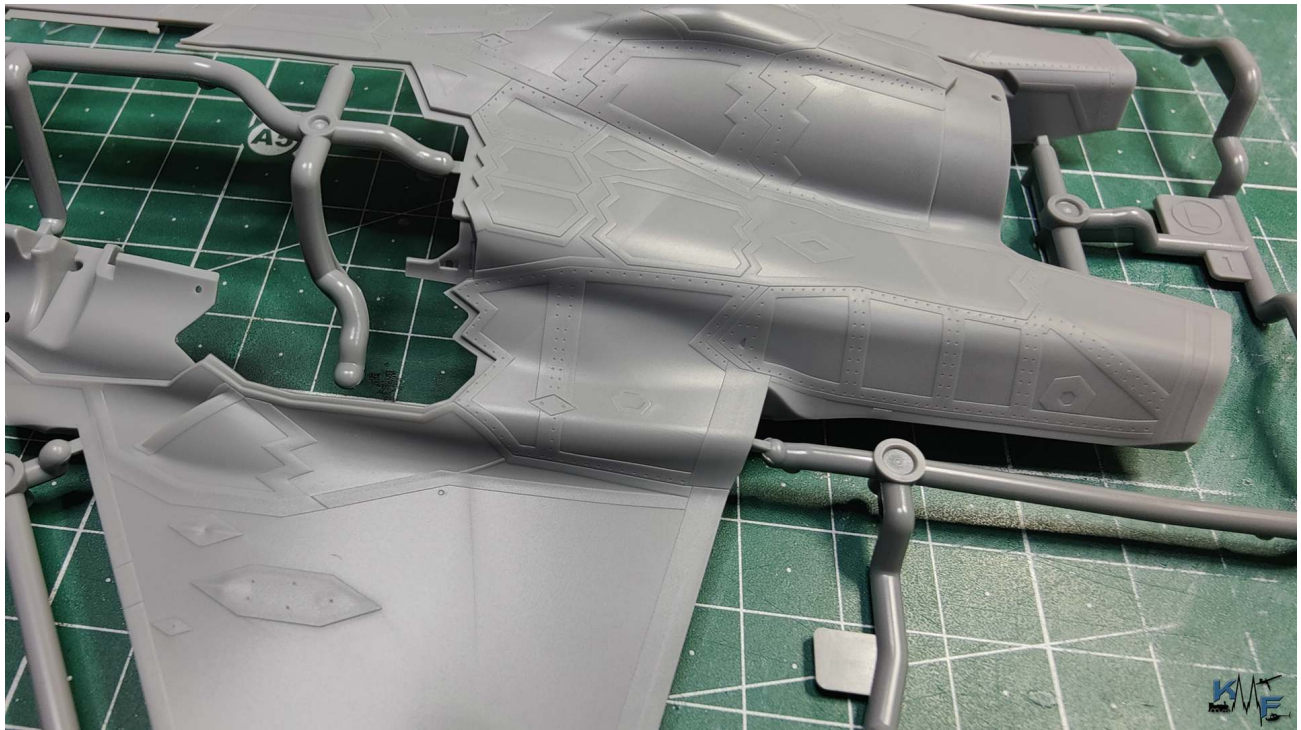

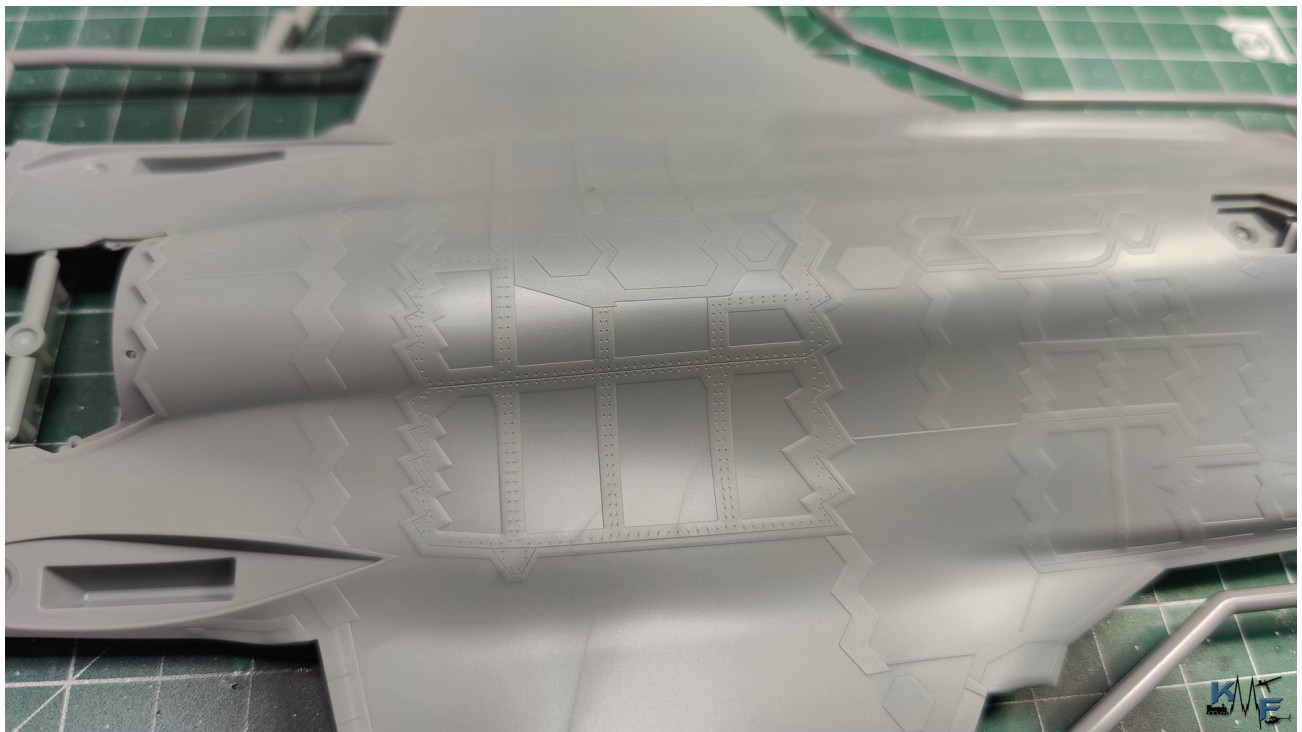

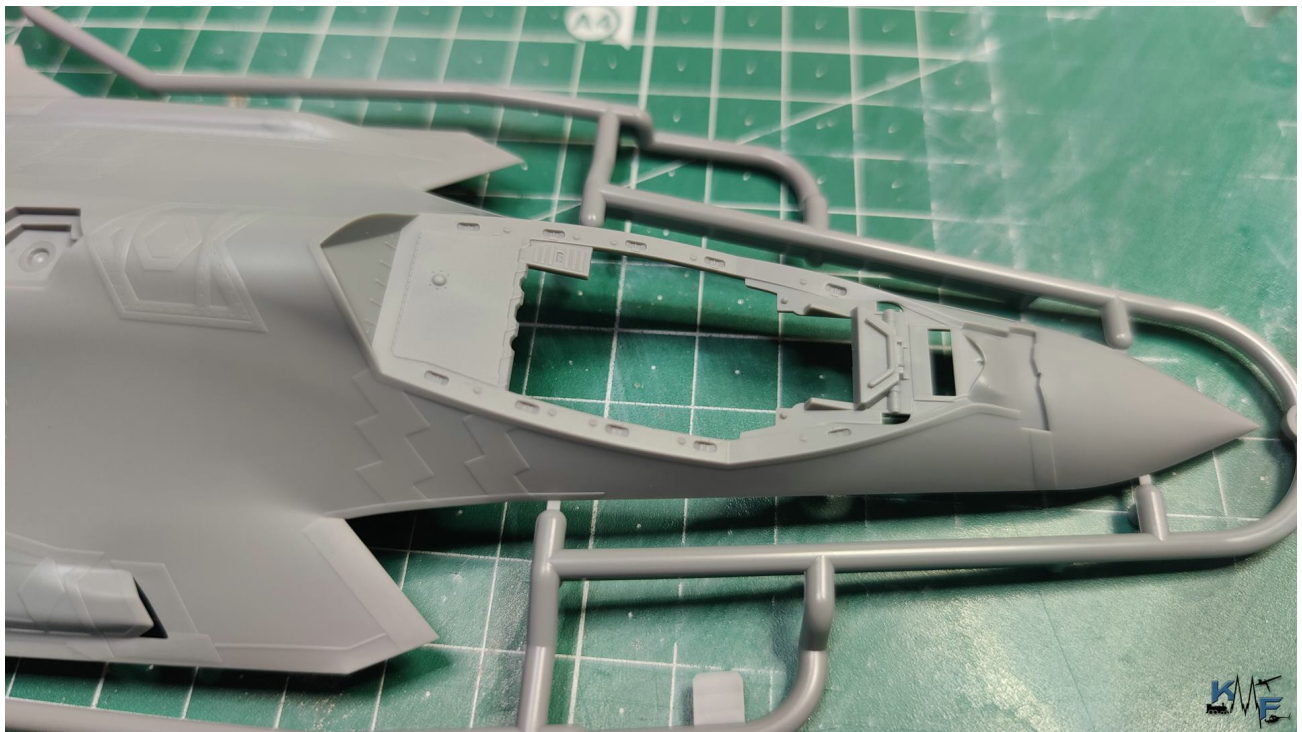

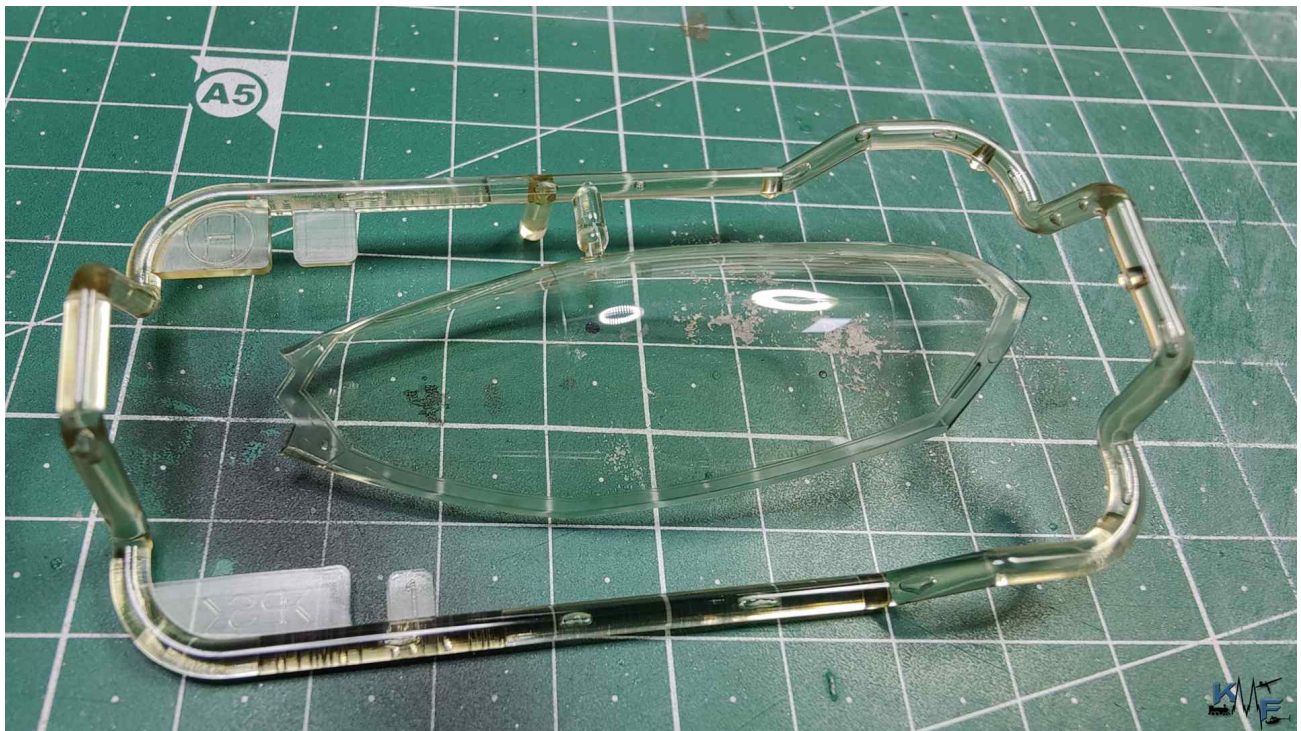

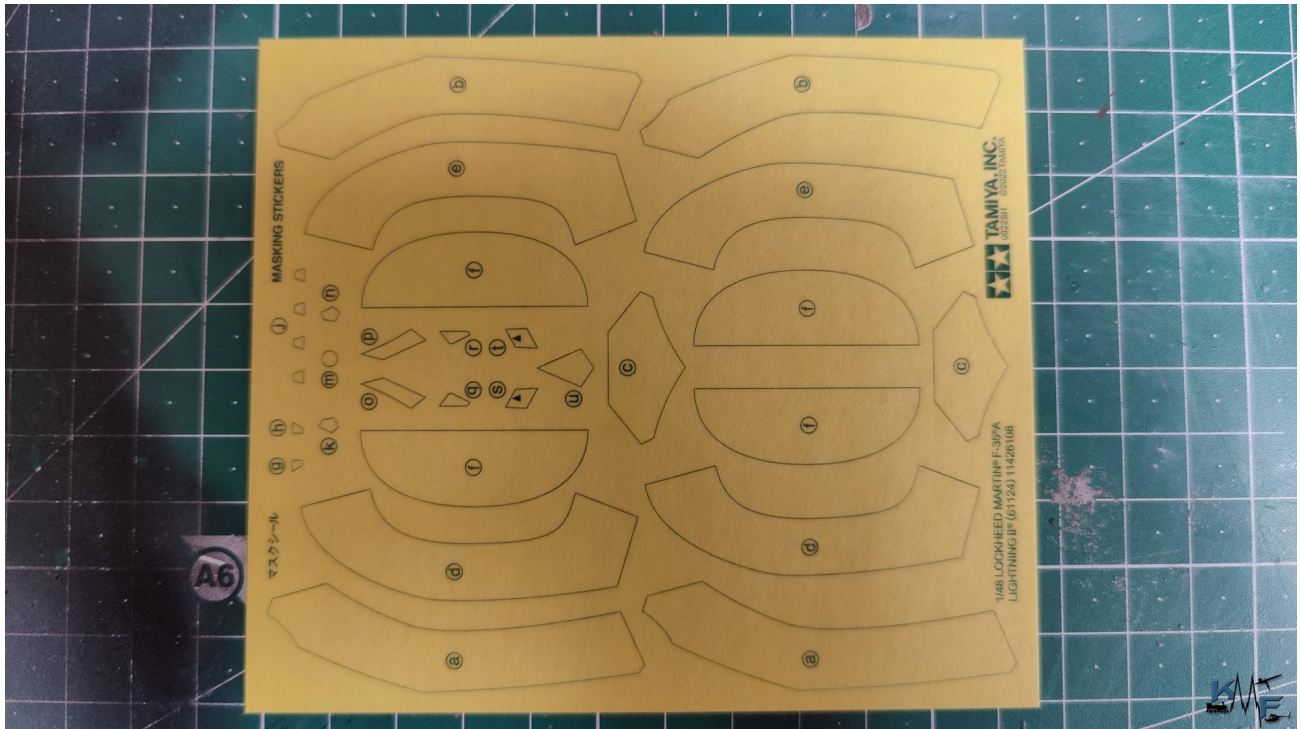

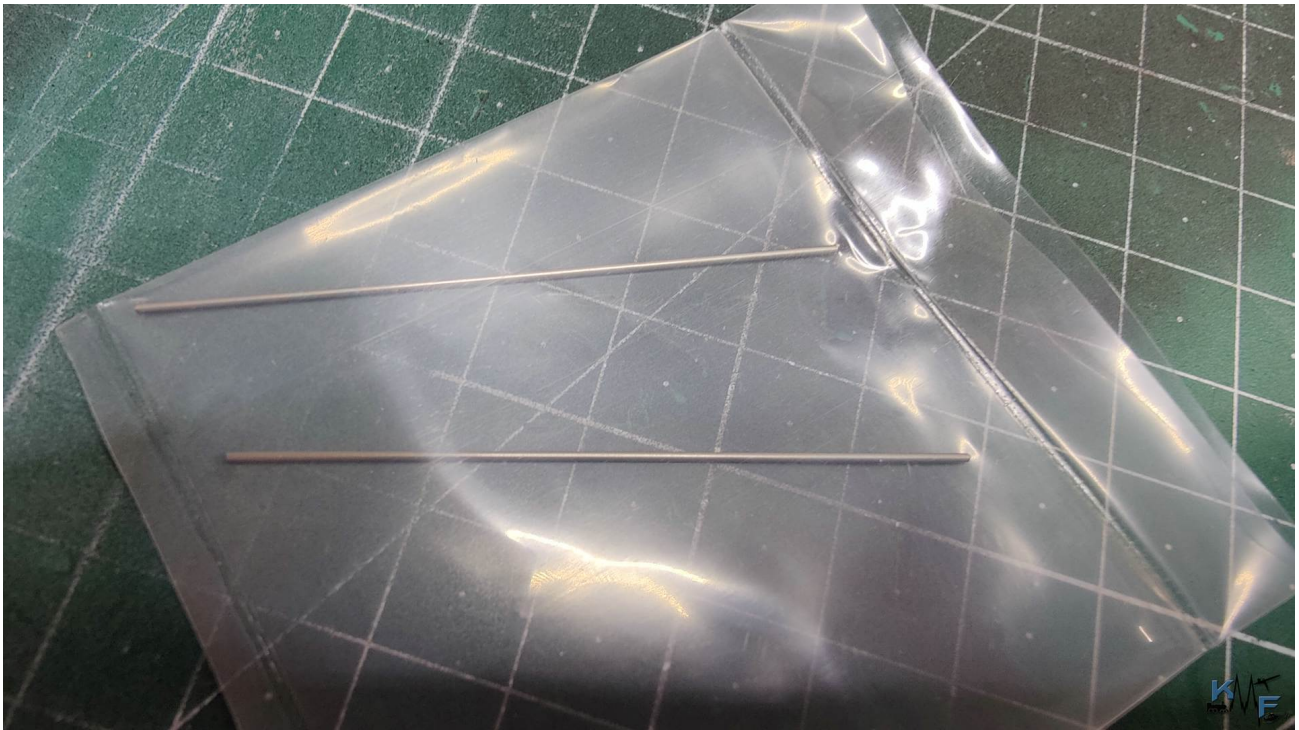

Gussteile Klarsicht

Masken

Diese Stangen kommen in den Klappen für die Waffen. Leider kann man diese nicht auf und zu machen. Ich Muss mich hier entscheiden wie ich die F-35A baue.

- **Zum Baubericht:** Kommt noch
- **Zur Bildergalerie:** Kommt noch
